Hi Gregg:

I had a chance to take a look at the Agenda and its attachments for our upcoming meeting scheduled for Tuesday, January 7, 2014 in the Friends Room.

If it's OK, I wanted to share a couple of thoughts:

- (1) December 3, 2013 Minutes:
  - (i) Handwritten page 4, "Organization And Form of Uses", line 1: please correct the spelling of "cumulative".
  
- (2) December 16, 2013 Minutes:
  - (i) Handwritten page 5, Section II, Lido Village, line 2: please delete the period (.) after "Gateway".
  - (ii) Handwritten page 5, Section II, Cannery Village, line 2: please delete the period (.) after "Uses".
  - (iii) Handwritten page 5, Section II, McFadden Square, line 1: please do not initial capitalize "revise" and please delete the period (.) after "revise".
  - (iv) Handwritten page 5, Section II, Airport Area, line 1: please change the word "exempt" to "exemption".
  - (v) Handwritten page 6, Section II, Mariners' Mile, first line: please revise the relevant portion of this line to read: "LU 6.19.10X---Proposed Policy Additions---Guiding Development of a District Corridor."
  - (vi) Handwritten page 6, Section 2, Mariners' Mile, second paragraph: please revise this paragraph to read: "The Committee and members discussed how to best address Mariners' Mile, including concerns with street widening of PCH to Caltrans standards. It was mentioned by a member of the public that a public walkway study was conducted from Balboa Bay Club to the bridge which would provide additional access along the frontage of the bay."

- (vii) Handwritten page 6, Section II, Public Comments, fifth paragraph, line 1: please change "we" to "were".
- (viii) Handwritten page 6, Section III, Public Comment on Non Agenda Items, second paragraph, line 2: please change "inform" to "perform".

(3) Attachment 3, Climate Change Memo: many thanks to you and the other staff folks for doing a fine job on this Memo. I can certainly see the point of views expressed in the Memo.

Many thanks, Gregg. See you on Tuesday, January 7.

Best regards and Happy New Year,  
Paul
