Parcel 1 of Parcel Map No. 2013-108 in the City of Newport Beach, County of Orange, State of California, as shown on a map filed in Book 378, Pages 10 through 12, inclusive of Parcel Maps, Records of Orange County, California (the "*Property*").

## AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Effective as of the Effective Date, Assignor does hereby transfer and assign to Assignee all of its right, title and interest in and to, and obligations under, the Development Agreement (including the Development Approvals and all documents and instruments relating to or implementing the Development Agreement) to the extent such right, title, interest, and obligations relate to the Property, including any obligations that must be performed outside of the Property that are a condition precedent to Assignee's right to develop the Property.

2. Assumption. Effective as of the Effective Date, Assignee hereby accepts said assignment and agrees to keep, perform and be bound by all the terms, covenants and conditions contained in the Development Agreement (including the Development Approvals and all documents and instruments relating to or implementing the Development Agreement) on the part of the "Landowner" therein to the extent such terms, covenants and conditions relate to the Property, including any obligations that must be performed outside of the Property that are a condition precedent to Assignee's right to develop the Property, as though Assignee were the original "Landowner" under the Development Agreement (the "*Obligations*"). In accordance with Section 11 of the Development Agreement, the parties hereby confirm that, subject to the satisfaction of the conditions specified in the last paragraph of Section 11 of the Development Agreement, as determined by the City of Newport Beach: (a) Assignee alone shall be liable for the performance of the Obligations relating to the Property, provided that, except as otherwise provided above, Assignee shall have no obligations with respect to any portion of the Uptown Property other than the Property; and (b) In accordance with Section 11 of the Development Agreement, Assignor is relieved of its duty to perform (and released from) the Obligations with respect to the Property. Assignor shall continue to have the obligation for performance of all obligations under the Development Agreement not assumed by Assignee pursuant to this Partial Assignment.

3. Miscellaneous. This Partial Assignment can be amended only by an amendment in writing in a form subject to the reasonable approval by the City Attorney (or his designee) and signed by all the parties, and any term herein can be waived only by a written waiver signed by the party against whom such waiver is to be asserted. This Partial Assignment is intended to be the final expression of the parties' agreement and supersedes any and all prior restrictions, promises, representations, warranties, agreements, understandings and undertakings between the parties with respect to the within subject matter. There are no restrictions, promises, representations, warranties, agreements, understandings or undertakings with respect to such subject matter other than those set forth or referred to herein. This Partial Assignment may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same document.
