

### FLAGS ON PUBLIC BRIDGES

The City supports the beautification of public bridges that serve as gateways to various communities and commercial areas. Decorative flags shall be permitted to enhance the appearance of City Bridges pursuant to this policy.

#### GENERAL

- A. The permitted locations are the Lido Isle/Via Lido Bridge, the Balboa Island/Marine Avenue Bridge, Little Balboa Island/Park Avenue Bridge and the Arches Interchange Bridge. Flags shall be prohibited on all other public bridges.
- B. All flags shall be decorative in nature and shall not contain any text with the exception of the U.S. flag and geographical community designations (ex: Balboa Island, Lido Isle, etc.). Commercial, political, or religious messages or messages of any kind, including logos and symbols shall not be allowed.
- C. No person shall install, maintain or remove flags on City bridges without first obtaining an encroachment permit and agreement from the Public Works Department. The permit/agreement shall be valid for a period of one year and will be renewable annually.

#### AUTHORITY TO INSTALL, MAINTAIN AND REMOVE

- A. The Lido Isle Community Association shall be the designated agent of the City and shall be responsible for the installation, maintenance and removal of flags on the Lido Isle/Via Lido Bridge.
- B. The Balboa Island Improvement Association shall be the designated agent of the City and shall be responsible for the installation, maintenance and removal of flags on the Balboa Island/Marine Avenue Bridge.
- C. The Little Balboa Island Association shall be the designated agent of the City and shall be responsible for the installation, maintenance and removal of flags on the Little Balboa Island/Park Avenue Bridge.
