

CO-SPONSORSHIP OF ANNUAL FIREWORKS EVENTS

The City of Newport Beach recognizes that the annual Independence Day fireworks event, provided by the private resort operated within the lower Back Bay, is a worthwhile event benefiting many City residents. Moreover, the fireworks display is enjoyed by the citizens as a community and family event.

Therefore, when fireworks events are scheduled at this location by the private resort in commemoration of Independence Day, the City Council may annually budget an amount between \$20,000 and \$40,000 for the fireworks events, provided that (1) City residents have free access to the event, with the exception of parking fees; (2) the City is recognized as a co-sponsor of the event in all publicity and promotional materials for the fireworks display; and (3) the applicant provides evidence of insurance with the City named as an additional insured, the amount of coverage determined by the City Manager and the Risk Manager.
