

Newport Beach Fire Department Community Emergency Response Team (CERT)- Spring 2017 CERT Program Schedule

The Newport Beach Fire Department invites residents to join the Community Emergency Response Team (CERT) program to learn how to help their neighborhoods following unexpected disasters. The CERT program is available free of charge to Newport Beach residents and \$40 for non-residents.

For spring 2017, there will be two separate CERT program series held: a Thursday day program and an all-day Saturday program. Participants must register to attend one program but may take classes from the other program if they miss classes during their registered program.
