### CITY OF NEWPORT BEACH ZONING ADMINISTRATOR STAFF REPORT

April 11, 2013

Agenda Item No. 1

**SUBJECT:** 610 Larkspur Paarcel Map - (PA2013-014)  
610 Larkspur Avenue

- Tentative Parcel Map No. NP2013-003
- County Tentative Parcel Map No. 2012-133

**APPLICANT:** 610 Larkspur Drive, LLC

**PLANNER:** Melinda Whelan, Assistant Planner  
(949) 644-3221, ,mwhelan@newportbeachca.gov

---

### ZONING DISTRICT/GENERAL PLAN

- **Zone:** R-2 (Two-Family Residential)
- **General Plan:** RT (Two-Unit Residential)

### PROJECT SUMMARY

A parcel map for two-unit condominium purposes. No exceptions to Title 19 (Subdivision Code) development standards are proposed with this application. An existing single-family residence has been demolished and a two-unit duplex is under construction that will provide the code required two-car parking per unit. The parcel map would allow each unit of the project to be sold individually.

### RECOMMENDATION

- 1) Conduct a public hearing; and
- 2) Adopt Draft Zoning Administrator Resolution No. \_ approving Tentative Parcel Map No. NP2013-003 (Attachment No. ZA 1).

### DISCUSSION

- The existing single-family residence (approximately 864 square feet) was demolished and is being replaced with a new 3,348-square-foot two-unit

condominium project that was approved for Building permits, December 10, 2012.

- The property is designated for two-unit residential use by the General Plan and Zoning Code. The new condominium project is consistent with this designation and a parcel map for condominiums does not change the use.
- Approval of a parcel map will allow each unit to be sold separately.
- The new condominium project will conform to current Newport Beach Municipal Code requirements and meet all Title 19 standards.
- Public improvements will be required of the applicant per the Municipal Code and Subdivision Map Act.
- Map approval is subject to fees for park dedication and affordable housing for one dwelling unit in accordance with the provisions of Sections 19.52 and 19.54 of the Subdivision Code. The current park dedication fee is \$26,125 per unit and the current in-lieu affordable housing fee is \$20,513 per unit. However, these fees are subject to change and the tentative parcel map is subject to conditions of approval that require the applicant to pay the fees in-effect at the time of payment, not those in-effect at the time of approval.

### **ENVIRONMENTAL REVIEW**

The project has been reviewed, and qualifies for a Class 15 (Minor Land Divisions) categorical exemption pursuant to Title 14 of the California Code of Regulations (Section 15315, Article 19 of Chapter 3, Guidelines for Implementation of the California Environmental Quality Act). The Class 15 exemption allows the division of property in urbanized areas zoned for residential, commercial, or industrial use into four or fewer parcels when the division is in conformance with the General Plan and zoning, no variances or exceptions are required, all services and access to the proposed parcels are available, the parcel was not involved in a division of a larger parcel within the previous two years, and the parcel does not have an average slope greater than 20 percent. The proposed parcel map is for condominium purposes and is consistent with all of the requirements of the Class 15 exemption.

### **PUBLIC NOTICE**

Notice of this application was published in the Daily Pilot, mailed to all owners of property within 300 feet of the boundaries of the site (excluding intervening rights-of-way and waterways) including the applicant and posted on the subject property at least 10 days prior to the decision date, consistent with the provisions of the Municipal Code. Additionally, the item appeared on the agenda for this meeting, which was posted at

City Hall, 3300 Newport Boulevard, Newport Beach, CA 92663 and, the agenda and staff report were available at the Newport Beach Public Library, Mariners Branch, at 1300 Irvine Avenue, Newport Beach, CA 92660.

**APPEAL PERIOD:**

An appeal may be filed with the Director of Community Development within ten (10) days following the date of action. For additional information on filing an appeal, contact the Planning Division at (949) 644-3200.

Draft Resolution

**RESOLUTION NO. ZA2013-0##**

**A RESOLUTION OF THE ZONING ADMINISTRATOR OF THE CITY OF NEWPORT BEACH, APPROVING TENTATIVE PARCEL MAP NO. NP2013-003 FOR A PARCEL MAP FOR TWO-UNIT CONDOMINIUM PURPOSES (PA2013-014) AT 610 LARKSPUR AVENUE**

THE ZONING ADMINSTRATOR OF THE CITY OF NEWPORT BEACH HEREBY FINDS AS FOLLOWS:

SECTION 1. STATEMENT OF FACTS.

1. An application was filed by 610 Larkspur Drive, LLC, with respect to property located at 610 Larkspur Avenue, and legally described as Lot 12, Block 638, Corona Del Mar in the City of Newport Beach, County of Orange, State of California, requesting approval of a Tentative Parcel Map.
2. The applicant requests a tentative parcel map for two-unit condominium purposes. No exceptions to Title 19 (Subdivision Code) development standards are proposed with this application. The code required two-car parking per unit will be provided. The property was developed with a single-family dwelling that has been demolished and a new duplex is currently under construction.
3. The subject property is located within the Two-Unit Residential (R-2) Zoning District and the General Plan Land Use Element category is Two-Unit Residential (RT).
4. The subject property is not located within the Coastal Zone.
5. A public hearing was held on April 11, 2013, in the Corona del Mar Conference Room (Bay E-1st Floor) at 100 Civic Center Drive, Newport Beach. A notice of time, place and purpose of the meeting was given in accordance with the Newport Beach Municipal Code. Evidence, both written and oral, was presented to, and considered by, the Zoning Administrator at this meeting.

SECTION 2. CALIFORNIA ENVIRONMENTAL QUALITY ACT DETERMINATION.

1. The project has been reviewed, and it qualifies for a categorical exemption pursuant to Section 15315 of the California Environmental Quality Act under Class 15 (Minor Land Divisions) of the Implementing Guidelines of the California Environmental Quality Act.
2. The Class 15 exemption allows the division of property in urbanized areas zoned for residential, commercial, or industrial use into four or fewer parcels when the division is in conformance with the General Plan and zoning, no variances or exceptions are required, all services and access to the proposed parcels are available, the parcel was not involved in a division of a larger parcel within the previous two years, and the parcel does not have an average slope greater than 20 percent. The proposed parcel

map is for condominium purposes and is consistent with all of the requirements of the Class 15 exemption.

### SECTION 3. REQUIRED FINDINGS.

The Zoning Administrator determined in this case that the proposed parcel map is consistent with the legislative intent of Title 20 of the Newport Beach Municipal Code and is approved based on the following findings per Section 19.12.070 (Required Findings for Action on Tentative Maps) of Title 19:

#### Finding

- A. *That the proposed map and the design or improvements of the subdivision are consistent with the General Plan and any applicable specific plan, and with applicable provisions of the Subdivision Map Act and this Subdivision Code.*

#### Facts in Support of Finding

1. The proposed Parcel Map is for two-unit condominium purposes. An existing single-family dwelling was demolished and is being replaced with a new duplex. The proposed subdivision and improvements are consistent with the density of the R-2 Zoning District and the current General Plan Land Use Designation "Two-Unit Residential".
2. The project has been conditioned to require public improvements including the reconstruction of existing broken or otherwise damaged sidewalks, curbs, and gutters, along Larkspur Avenue consistent with the Subdivision Code (Title 19).

#### Finding

- B. *That the site is physically suitable for the type and density of development.*

#### Facts in Support of Finding

1. The lot is regular in shape, has a slope of less than 20 percent, and is suitable for two-unit development.

#### Finding

- C. *That the design of the subdivision or the proposed improvements will not cause substantial environmental damage nor substantially and avoidably injure fish or wildlife or their habitat. However, notwithstanding the foregoing, the decision-making body may nevertheless approve such a subdivision if an environmental impact report was prepared for the project and a finding was made pursuant to Section 21081 of the California Environmental Quality Act that specific economic, social, or other considerations make infeasible the mitigation measures or project alternatives identified in the environmental impact report.*

Facts in Support of Finding

1. This project has been reviewed, and it has been determined that it is categorically exempt from the requirements of the California Environmental Quality Act under Class 15 (Minor Land Divisions) which allows the division of property in urbanized areas zoned for residential, commercial, or industrial use into four or fewer parcels when the division is in conformance with the General Plan and zoning, no variances or exceptions are required, all services and access to the proposed parcels are available, the parcel was not involved in a division of a larger parcel within the previous two years, and the parcel does not have an average slope greater than 20 percent. The proposed parcel map is for condominium purposes and is consistent with all of the requirements of the Class 15 exemption.

Finding

- D. *That the design of the subdivision or the type of improvements is not likely to cause serious public health problems.*

Facts in Support of Finding

1. The proposed Parcel Map is for residential condominium purposes. All construction for the project will comply with all Building, Public Works, and Fire Codes, which are in place to prevent serious public health problems. Public improvements will be required of the developer per Section 19.28.010 (General Improvement Requirements) of the Municipal Code and Section 66411 (Local agencies to regulate and control design of subdivisions) of the Subdivision Map Act. All ordinances of the City and all Conditions of Approval will be complied with.

Finding

- E. *That the design of the subdivision or the type of improvements will not conflict with easements, acquired by the public at large, for access through or use of, property within the proposed subdivision. In this connection, the decision-making body may approve a map if it finds that alternate easements, for access or for use, will be provided and that these easements will be substantially equivalent to easements previously acquired by the public. This finding shall apply only to easements of record or to easements established by judgment of a court of competent jurisdiction and no authority is hereby granted to the City Council to determine that the public at large has acquired easements for access through or use of property within a subdivision.*

Facts in Support of Finding

1. The design of the development will not conflict with any easements acquired by the public at large for access through or use of property within the proposed development as there are no public easements that are located on the property.

Finding

- F. *That, subject to the detailed provisions of Section 66474.4 of the Subdivision Map Act, if the land is subject to a contract entered into pursuant to the California Land Conservation Act of 1965 (Williamson Act), the resulting parcels following a subdivision of the land would not be too small to sustain their agricultural use or the subdivision will result in residential development incidental to the commercial agricultural use of the land.*

Facts in Support of Finding

1. The property is not subject to the Williamson Act since the subject property is not designated as an agricultural preserve and is less than 100 acres.

Finding

- G. *That, in the case of a "land project" as defined in Section 11000.5 of the California Business and Professions Code: (a) there is an adopted specific plan for the area to be included within the land project; and (b) the decision-making body finds that the proposed land project is consistent with the specific plan for the area.*

Facts in Support of Finding

1. The property is not a "land project" as defined in Section 11000.5 of the California Business and Professions Code.
2. The project is not located within a specific plan area.

Finding

- H. *That solar access and passive heating and cooling design requirements have been satisfied in accordance with Sections 66473.1 and 66475.3 of the Subdivision Map Act.*

Facts in Support of Finding

1. The proposed Parcel Map and improvements are subject to Title 24 of the California Building Code that requires new construction to meet minimum heating and cooling efficiency standards depending on location and climate. The Newport Beach Building Department enforces Title 24 compliance through the plan check and inspection process.

Finding

- I. *That the subdivision is consistent with Section 66412.3 of the Subdivision Map Act and Section 65584 of the California Government Code regarding the City's share of the regional housing need and that it balances the housing needs of the region against the public service needs of the City's residents and available fiscal and environmental resources.*

Facts in Support of Finding

1. The residential density on the site will increase by one unit to two units, consistent with the R-2 Zoning District designation. Therefore, the parcel map for condominium purposes will not affect the City in meeting its regional housing need.

Finding

- J. *That the discharge of waste from the proposed subdivision into the existing sewer system will not result in a violation of existing requirements prescribed by the Regional Water Quality Control Board.*

Facts in Support of Finding

1. Wastewater discharge into the existing sewer system has been designed to comply with the Regional Water Quality Control Board (RWQCB) requirements.

Finding

- K. *For subdivisions lying partly or wholly within the Coastal Zone, that the subdivision conforms with the certified Local Coastal Program and, where applicable, with public access and recreation policies of Chapter Three of the Coastal Act.*

Facts in Support of Finding

1. The subject property is not located within the Coastal Zone.

SECTION 4. DECISION.

**NOW, THEREFORE, BE IT RESOLVED:**

1. The Zoning Administrator of the City of Newport Beach hereby approves Parcel Map No. NP2013-003, subject to the conditions set forth in Exhibit A, which is attached hereto and incorporated by reference.

2. Tentative Parcel Map applications do not become effective until 10 days following the date of action. Prior to the effective date, the applicant or any interested party may appeal the decision of the Zoning Administrator to the Planning Commission by submitting a written appeal application to the Community Development Director. For additional information on filing an appeal, contact the Planning Division at (949) 644-3200.

**PASSED, APPROVED, AND ADOPTED THIS 11TH DAY OF APRIL, 2013.**

By:

**EXHIBIT "A"**

## CONDITIONS OF APPROVAL

1. A parcel map shall be recorded. The Map shall be prepared on the California coordinate system (NAD88). Prior to recordation of the Map, the surveyor/engineer preparing the Map shall submit to the County Surveyor and the City of Newport Beach a digital-graphic file of said map in a manner described in Section 7-9-330 and 7-9-337 of the Orange County Subdivision Code and Orange County Subdivision Manual, Subarticle 18. **The Map to be submitted to the City of Newport Beach shall comply with the City's CADD Standards. Scanned images will not be accepted.**
2. Prior to recordation of the parcel map, the surveyor/engineer preparing the map shall tie the boundary of the map into the Horizontal Control System established by the County Surveyor in a manner described in Sections 7-9-330 and 7-9-337 of the Orange County Subdivision Code and Orange County Subdivision Manual, Subarticle 18. Monuments (one inch iron pipe with tag) shall be set On Each Lot Corner unless otherwise approved by the Subdivision Engineer. Monuments shall be protected in place if installed prior to completion of construction project.
6. Prior to recordation of the parcel map, Reconstruct any existing broken and/or otherwise damaged concrete sidewalk panels, curb and gutter along the Larkspur Avenue frontage subject to review and approval by the Public Works Department.
7. All existing overhead utilities shall be undergrounded.
8. All abandoned utilities shall be abandoned per City requirements.
9. All above ground improvements shall stay a minimum 5-foot clear of the alley setback.
10. Prior to recordation of the parcel map, all existing private, non-standard improvements within the public right-of-way and/or extensions of private, non-standard improvements into the public right-of-way fronting the development site shall be removed.
11. Each unit shall be served by its individual water meter and sewer lateral and cleanout. Each water meter and sewer cleanout shall be installed with a traffic-grade box and cover. Water meter and the sewer cleanout shall be located within the Public right-of-way.
12. An encroachment permit is required for all work activities within the public right-of-way.
13. In case of damage done to public improvements surrounding the development site by the private construction, additional reconstruction within the public right-of-way could be required at the discretion of the Public Works Inspector.
14. All on-site drainage shall comply with the latest City Water Quality requirements.

15. All improvements shall be constructed as required by Ordinance and the Public Works Department.
16. Each unit shall be served by its individual water meter and sewer lateral and cleanout. Each water meter and sewer cleanout shall be installed with a traffic-grade box and cover. Water meter and the sewer cleanout shall be located within the Public right-of-way.
17. All abandoned utilities shall be abandoned per City standards. Sewer laterals shall be capped at property line and water services shall be abandoned at main (corporation stop).
18. All improvements shall comply with the City's sight distance requirement. See City Standard 110-L. All landscaping, fencing and planters, etc. within sight distance triangle shall have a maximum height of 24 inches.
19. Each dwelling unit shall be served with individual gas and electrical service connection and shall maintain separate meters for the utilities.
20. Prior to recordation of the Parcel Map, a park dedication fee for one dwelling unit shall be paid in accordance with Chapter 19.52.070 of the Newport Beach Municipal Code and pursuant City Council Resolution No. 2007-30.
21. Prior to recordation of the Parcel Map, a housing in-lieu fee for one dwelling unit shall be paid in accordance with Chapter 19.54.050(D) of the Newport Beach Municipal Code and pursuant to City Council Resolution No. 2010-44.
22. Two-car parking, including one enclosed garage space, shall be provided on site for each dwelling unit per requirements of the Zoning Code.
23. In compliance with the requirements of Chapter 9.04, Section 505.1 (Premises Identification), of the Newport Beach Municipal Code, approved street numbers or addresses shall be placed on all new and existing buildings in such a location that is plainly visible and legible from the street or road fronting the subject property. Said numbers shall be of non-combustible materials, shall contrast with the background, and shall be either internally or externally illuminated to be visible at night. Numbers shall be no less than four inches in height with a one-inch wide stroke. The Planning Division Plan Check designee shall verify the installation of the approved street number or addresses during the plan check process for the new or remodeled structure.
24. Subsequent to recordation of the Parcel Map, the applicant shall apply for a building permit for a description change of the subject project development from "duplex" to "condominium." **The development will not be condominiums until this permit is finalized.** The building permit for the new construction shall not be finalized until after recordation of the Parcel Map.

25. To the fullest extent permitted by law, applicant shall indemnify, defend and hold harmless City, its City Council, its boards and commissions, officials, officers, employees, and agents from and against any and all claims, demands, obligations, damages, actions, causes of action, suits, losses, judgments, fines, penalties, liabilities, costs and expenses (including without limitation, attorney's fees, disbursements and court costs) of every kind and nature whatsoever which may arise from or in any manner relate (directly or indirectly) to City's approval of the 610 Larkspur Avenue Parcel Map including, but not limited to, Parcel Map No. NP2013-003 (PA2013-014). This indemnification shall include, but not be limited to, damages awarded against the City, if any, costs of suit, attorneys' fees, and other expenses incurred in connection with such claim, action, causes of action, suit or proceeding whether incurred by applicant, City, and/or the parties initiating or bringing such proceeding. The applicant shall indemnify the City for all of City's costs, attorneys' fees, and damages which City incurs in enforcing the indemnification provisions set forth in this condition. The applicant shall pay to the City upon demand any amount owed to the City pursuant to the indemnification requirements prescribed in this condition.
  
26. This Parcel Map shall expire if the map has not been recorded within 24 months years of the date of approval, unless an extension is granted by the Community Development Director in accordance with the provisions of Section 19.16 of the Newport Beach Municipal Code.

**RESOLUTION NO. ZA2013-0##**

**A RESOLUTION OF THE ZONING ADMINISTRATOR OF THE CITY OF NEWPORT BEACH, APPROVING TENTATIVE PARCEL MAP NO. NP2013-003 FOR A PARCEL MAP FOR TWO-UNIT CONDOMINIUM PURPOSES (PA2013-014) AT 610 LARKSPUR AVENUE**

THE ZONING ADMINSTRATOR OF THE CITY OF NEWPORT BEACH HEREBY FINDS AS FOLLOWS:

SECTION 1. STATEMENT OF FACTS.

1. An application was filed by 610 Larkspur Drive, LLC, with respect to property located at 610 Larkspur Avenue, and legally described as Lot 12, Block 638, Corona Del Mar in the City of Newport Beach, County of Orange, State of California, requesting approval of a Tentative Parcel Map.
2. The applicant requests a tentative parcel map for two-unit condominium purposes. No exceptions to Title 19 (Subdivision Code) development standards are proposed with this application. The code required two-car parking per unit will be provided. The property was developed with a single-family dwelling that has been demolished and a new duplex is currently under construction.
3. The subject property is located within the Two-Unit Residential (R-2) Zoning District and the General Plan Land Use Element category is Two-Unit Residential (RT).
4. The subject property is not located within the Coastal Zone.
5. A public hearing was held on April 11, 2013, in the Corona del Mar Conference Room (Bay E-1st Floor) at 100 Civic Center Drive, Newport Beach. A notice of time, place and purpose of the meeting was given in accordance with the Newport Beach Municipal Code. Evidence, both written and oral, was presented to, and considered by, the Zoning Administrator at this meeting.

SECTION 2. CALIFORNIA ENVIRONMENTAL QUALITY ACT DETERMINATION.

1. The project has been reviewed, and it qualifies for a categorical exemption pursuant to Section 15315 of the California Environmental Quality Act under Class 15 (Minor Land Divisions) of the Implementing Guidelines of the California Environmental Quality Act.
2. The Class 15 exemption allows the division of property in urbanized areas zoned for residential, commercial, or industrial use into four or fewer parcels when the division is in conformance with the General Plan and zoning, no variances or exceptions are required, all services and access to the proposed parcels are available, the parcel was not involved in a division of a larger parcel within the previous two years, and the parcel does not have an average slope greater than 20 percent. The proposed parcel

map is for condominium purposes and is consistent with all of the requirements of the Class 15 exemption.

### SECTION 3. REQUIRED FINDINGS.

The Zoning Administrator determined in this case that the proposed parcel map is consistent with the legislative intent of Title 20 of the Newport Beach Municipal Code and is approved based on the following findings per Section 19.12.070 (Required Findings for Action on Tentative Maps) of Title 19:

#### Finding

- A. *That the proposed map and the design or improvements of the subdivision are consistent with the General Plan and any applicable specific plan, and with applicable provisions of the Subdivision Map Act and this Subdivision Code.*

#### Facts in Support of Finding

1. The proposed Parcel Map is for two-unit condominium purposes. An existing single-family dwelling was demolished and is being replaced with a new duplex. The proposed subdivision and improvements are consistent with the density of the R-2 Zoning District and the current General Plan Land Use Designation "Two-Unit Residential".
2. The project has been conditioned to require public improvements including the reconstruction of existing broken or otherwise damaged sidewalks, curbs, and gutters, along Larkspur Avenue consistent with the Subdivision Code (Title 19).

#### Finding

- B. *That the site is physically suitable for the type and density of development.*

#### Facts in Support of Finding

1. The lot is regular in shape, has a slope of less than 20 percent, and is suitable for two-unit development.

#### Finding

- C. *That the design of the subdivision or the proposed improvements will not cause substantial environmental damage nor substantially and avoidably injure fish or wildlife or their habitat. However, notwithstanding the foregoing, the decision-making body may nevertheless approve such a subdivision if an environmental impact report was prepared for the project and a finding was made pursuant to Section 21081 of the California Environmental Quality Act that specific economic, social, or other considerations make infeasible the mitigation measures or project alternatives identified in the environmental impact report.*

### Facts in Support of Finding

1. This project has been reviewed, and it has been determined that it is categorically exempt from the requirements of the California Environmental Quality Act under Class 15 (Minor Land Divisions) which allows the division of property in urbanized areas zoned for residential, commercial, or industrial use into four or fewer parcels when the division is in conformance with the General Plan and zoning, no variances or exceptions are required, all services and access to the proposed parcels are available, the parcel was not involved in a division of a larger parcel within the previous two years, and the parcel does not have an average slope greater than 20 percent. The proposed parcel map is for condominium purposes and is consistent with all of the requirements of the Class 15 exemption.

### Finding

- D. *That the design of the subdivision or the type of improvements is not likely to cause serious public health problems.*

### Facts in Support of Finding

1. The proposed Parcel Map is for residential condominium purposes. All construction for the project will comply with all Building, Public Works, and Fire Codes, which are in place to prevent serious public health problems. Public improvements will be required of the developer per Section 19.28.010 (General Improvement Requirements) of the Municipal Code and Section 66411 (Local agencies to regulate and control design of subdivisions) of the Subdivision Map Act. All ordinances of the City and all Conditions of Approval will be complied with.

### Finding

- E. *That the design of the subdivision or the type of improvements will not conflict with easements, acquired by the public at large, for access through or use of, property within the proposed subdivision. In this connection, the decision-making body may approve a map if it finds that alternate easements, for access or for use, will be provided and that these easements will be substantially equivalent to easements previously acquired by the public. This finding shall apply only to easements of record or to easements established by judgment of a court of competent jurisdiction and no authority is hereby granted to the City Council to determine that the public at large has acquired easements for access through or use of property within a subdivision.*

Facts in Support of Finding

1. The design of the development will not conflict with any easements acquired by the public at large for access through or use of property within the proposed development as there are no public easements that are located on the property.

Finding

- F. *That, subject to the detailed provisions of Section 66474.4 of the Subdivision Map Act, if the land is subject to a contract entered into pursuant to the California Land Conservation Act of 1965 (Williamson Act), the resulting parcels following a subdivision of the land would not be too small to sustain their agricultural use or the subdivision will result in residential development incidental to the commercial agricultural use of the land.*

Facts in Support of Finding

1. The property is not subject to the Williamson Act since the subject property is not designated as an agricultural preserve and is less than 100 acres.

Finding

- G. *That, in the case of a "land project" as defined in Section 11000.5 of the California Business and Professions Code: (a) there is an adopted specific plan for the area to be included within the land project; and (b) the decision-making body finds that the proposed land project is consistent with the specific plan for the area.*

Facts in Support of Finding

1. The property is not a "land project" as defined in Section 11000.5 of the California Business and Professions Code.
2. The project is not located within a specific plan area.

Finding

- H. *That solar access and passive heating and cooling design requirements have been satisfied in accordance with Sections 66473.1 and 66475.3 of the Subdivision Map Act.*

Facts in Support of Finding

1. The proposed Parcel Map and improvements are subject to Title 24 of the California Building Code that requires new construction to meet minimum heating and cooling efficiency standards depending on location and climate. The Newport Beach Building Department enforces Title 24 compliance through the plan check and inspection process.

Finding

- I. *That the subdivision is consistent with Section 66412.3 of the Subdivision Map Act and Section 65584 of the California Government Code regarding the City's share of the regional housing need and that it balances the housing needs of the region against the public service needs of the City's residents and available fiscal and environmental resources.*

Facts in Support of Finding

1. The residential density on the site will increase by one unit to two units, consistent with the R-2 Zoning District designation. Therefore, the parcel map for condominium purposes will not affect the City in meeting its regional housing need.

Finding

- J. *That the discharge of waste from the proposed subdivision into the existing sewer system will not result in a violation of existing requirements prescribed by the Regional Water Quality Control Board.*

Facts in Support of Finding

1. Wastewater discharge into the existing sewer system has been designed to comply with the Regional Water Quality Control Board (RWQCB) requirements.

Finding

- K. *For subdivisions lying partly or wholly within the Coastal Zone, that the subdivision conforms with the certified Local Coastal Program and, where applicable, with public access and recreation policies of Chapter Three of the Coastal Act.*

Facts in Support of Finding

1. The subject property is not located within the Coastal Zone.

## SECTION 4. DECISION.

**NOW, THEREFORE, BE IT RESOLVED:**

1. The Zoning Administrator of the City of Newport Beach hereby approves Parcel Map No. NP2013-003, subject to the conditions set forth in Exhibit A, which is attached hereto and incorporated by reference.

2. Tentative Parcel Map applications do not become effective until 10 days following the date of action. Prior to the effective date, the applicant or any interested party may appeal the decision of the Zoning Administrator to the Planning Commission by submitting a written appeal application to the Community Development Director. For additional information on filing an appeal, contact the Planning Division at (949) 644-3200.

**PASSED, APPROVED, AND ADOPTED THIS 11TH DAY OF APRIL, 2013.**

By:

**EXHIBIT "A"**

## CONDITIONS OF APPROVAL

1. A parcel map shall be recorded. The Map shall be prepared on the California coordinate system (NAD88). Prior to recordation of the Map, the surveyor/engineer preparing the Map shall submit to the County Surveyor and the City of Newport Beach a digital-graphic file of said map in a manner described in Section 7-9-330 and 7-9-337 of the Orange County Subdivision Code and Orange County Subdivision Manual, Subarticle 18. **The Map to be submitted to the City of Newport Beach shall comply with the City's CADD Standards. Scanned images will not be accepted.**
2. Prior to recordation of the parcel map, the surveyor/engineer preparing the map shall tie the boundary of the map into the Horizontal Control System established by the County Surveyor in a manner described in Sections 7-9-330 and 7-9-337 of the Orange County Subdivision Code and Orange County Subdivision Manual, Subarticle 18. Monuments (one inch iron pipe with tag) shall be set On Each Lot Corner unless otherwise approved by the Subdivision Engineer. Monuments shall be protected in place if installed prior to completion of construction project.
3. Prior to recordation of the parcel map, reconstruct any existing broken and/or otherwise damaged concrete sidewalk panels, curb and gutter along the Larkspur Avenue frontage subject to review and approval by the Public Works Department.
4. All existing overhead utilities shall be undergrounded.
5. All above ground improvements shall stay a minimum 5-foot clear of the alley setback.
6. Prior to recordation of the parcel map, all existing private, non-standard improvements within the public right-of-way and/or extensions of private, non-standard improvements into the public right-of-way fronting the development site shall be removed.
7. Each unit shall be served by its individual water meter and sewer lateral and cleanout. Each water meter and sewer cleanout shall be installed with a traffic-grade box and cover. Water meter and the sewer cleanout shall be located within the Public right-of-way.
8. An encroachment permit is required for all work activities within the public right-of-way.
9. All on-site drainage shall comply with the latest City Water Quality requirements.
10. All improvements shall be constructed as required by Ordinance and the Public Works Department.
11. All abandoned utilities shall be abandoned per City standards. Sewer laterals shall be capped at property line and water services shall be abandoned at main (corporation stop).

12. All improvements shall comply with the City's sight distance requirement. See City Standard 110-L. All landscaping, fencing and planters, etc. within sight distance triangle shall have a maximum height of 24 inches.
13. Each dwelling unit shall be served with individual gas and electrical service connection and shall maintain separate meters for the utilities.
14. Prior to recordation of the Parcel Map, a park dedication fee for one dwelling unit shall be paid in accordance with Chapter 19.52.070 of the Newport Beach Municipal Code and pursuant City Council Resolution No. 2007-30.
15. Prior to recordation of the Parcel Map, a housing in-lieu fee for one dwelling unit shall be paid in accordance with Chapter 19.54.050(D) of the Newport Beach Municipal Code and pursuant to City Council Resolution No. 2010-44.
16. Two-car parking, including one enclosed garage space, shall be provided on site for each dwelling unit per requirements of the Zoning Code.
17. In compliance with the requirements of Chapter 9.04, Section 505.1 (Premises Identification), of the Newport Beach Municipal Code, approved street numbers or addresses shall be placed on all new and existing buildings in such a location that is plainly visible and legible from the street or road fronting the subject property. Said numbers shall be of non-combustible materials, shall contrast with the background, and shall be either internally or externally illuminated to be visible at night. Numbers shall be no less than four inches in height with a one-inch wide stroke. The Planning Division Plan Check designee shall verify the installation of the approved street number or addresses during the plan check process for the new or remodeled structure.
18. Subsequent to recordation of the Parcel Map, the applicant shall apply for a building permit for a description change of the subject project development from "duplex" to "condominium." **The development will not be condominiums until this permit is finalized.** The building permit for the new construction shall not be finalized until after recordation of the Parcel Map.
19. To the fullest extent permitted by law, applicant shall indemnify, defend and hold harmless City, its City Council, its boards and commissions, officials, officers, employees, and agents from and against any and all claims, demands, obligations, damages, actions, causes of action, suits, losses, judgments, fines, penalties, liabilities, costs and expenses (including without limitation, attorney's fees, disbursements and court costs) of every kind and nature whatsoever which may arise from or in any manner relate (directly or indirectly) to City's approval of the 610 Larkspur Avenue Parcel Map including, but not limited to, Parcel Map No. NP2013-003 (PA2013-014). This indemnification shall include, but not be limited to, damages awarded against the City, if any, costs of suit, attorneys' fees, and other expenses incurred in connection with such claim, action, causes of action, suit or proceeding

whether incurred by applicant, City, and/or the parties initiating or bringing such proceeding. The applicant shall indemnify the City for all of City's costs, attorneys' fees, and damages which City incurs in enforcing the indemnification provisions set forth in this condition. The applicant shall pay to the City upon demand any amount owed to the City pursuant to the indemnification requirements prescribed in this condition.

20. This Parcel Map shall expire if the map has not been recorded within 24 months years of the date of approval, unless an extension is granted by the Community Development Director in accordance with the provisions of Section 19.16 of the Newport Beach Municipal Code.

## Comments on April 11, 2013 Zoning Administrator Agenda

### **Item 1. 610 Larkspur Parcel Map (PA2013-014)**

In the draft Resolution of Approval:

- Section 2.1: there is no “*Section 15315 of the California Environmental Quality Act.*” Per page 3 of the staff report, under “*Environmental Review,*” it is a section of the CEQA Implementing Guidelines, not CEQA itself. See Section 2.1 of today’s Item 3 for a more accurate finding.
- Fact D-1: there is no Newport Beach “*Public Works*” code. Is this a reference to Title 13 (“*Streets, Sidewalks and Public Property*”), or to something more general?
- Fact I-1: the statement that going from one unit to two will have no effect on meeting the regional housing need seems incorrect. Won’t it help?
- Section 4.1: the title block to the staff report refers to a “*County Tentative Parcel Map No. 2012-133.*” Is that the same as “*Parcel Map No. NP2013-003*”? And does the resolution need to say it is also being approved?
- Condition 7: are there existing overhead utilities that need to be undergrounded? If yes, it would be helpful to specify what they are. If not, the condition should be deleted.
- Condition 8: this is repeated, with more detail, in condition 17. One or the other should probably be deleted.
- Condition 11: this is repeated, exactly, as condition 16. One should be deleted.
- Condition 16: see 11
- Condition 17: see 8
- Condition 23: great detail is provided as to the street sign requirements, but it fails to make clear if the two units need to be separately identified.
- The very similar Item 3 on today’s agenda contains a condition 4 regarding smoke detectors and a condition 21 requiring a variety of additional permits. Why are some approvals subject to conditions different from others?

“Attachment No. ZA 3” is labeled as “Project Plans,” but instead seems to be the “Parcel Map No. NP2013-003” referred to in the resolution.

### ~~**Item 2. 600 Narcissus Parcel Map (PA2013-015)**~~

~~In the draft Resolution of Approval:~~

- ~~Section 2.1: there is no “*Section 15315 of the California Environmental Quality Act.*” Per page 3 of the staff report, under “*Environmental Review,*” it is a section of the CEQA Implementing Guidelines, not CEQA itself. See Section 2.1 of today’s Item 3 for a more accurate finding.~~
- ~~Fact A-2: should read “...pursuant to the Subdivision Code ...”~~
