After Class Enrichment (A.C.E.) is a series of programs through the City of Newport Beach designed to further enhance your child's curriculum by providing high quality instruction in a variety of recreational activities held immediately after school dismissal.

A.C.E. classes are held on campus for a familiar learning environment and to make the transition as quick and as safe as possible.

Your favorite instructors from the City of Newport Beach Recreation & Senior Services Department will be hosting their classes. All our instructors have had background checks and are cleared by NBPD.
