

Ensign Intermediate

The After Class Enrichment (ACE) program is a new series of quarterly after school classes at Ensign Intermediate hosted by the City of Newport Beach. The program is designed to further enhance your child's curriculum by providing high quality instruction in a variety of recreational activities held immediately after school dismissal. Your favorite instructors from the City of Newport Beach's Recreation & Senior Services Department will host their class on campus, allowing your child the opportunity to expand their learning, discover a new hobby, and develop friendships for years to come.
