Updated July 2016**

The following is the rate structure for placement of antennas and corresponding equipment on City property, as approved by the City Manager's office:

Single Site Pricing:

1. Antenna on streetlight or traffic signal with no equipment cabinetry on City public property - \$1,800/month.
2. Antenna on streetlight or traffic signal with equipment cabinetry on City public property (not right of way):
 - a. Foundation/surface area containing equipment or cabinet is less than 150 square feet - **\$2,405/month.**
 - b. Foundation/surface area containing equipment or cabinet is 150-499 square feet - **\$2,940/month.**
 - c. Foundation/surface area containing equipment or cabinet is 500+ square feet - **\$3,475/month.**
3. Antenna attached to buildings or other pre-existing structures with equipment cabinetry on City public property (not right of way) – Equipment cabinetry will be charged based on square feet at the same rate as above, plus a flat rate of \$500/month.
4. Antenna on monopoles on public property (not right of way) with equipment cabinetry on City public property (not right of way) – Rates will be based on same square foot schedule as above; square footage will include equipment or cabinetry AND the area of the monopole.

Other Requirements:

- If the antennas are on park property, the City may require a one-time upfront payment mitigating any park impacts. The amount shall be at the recommendation of the City Manager and the Director of Recreation and Senior Services.
- The License Fee shall automatically increase 4% each year, and adjust to market rate upon the first renewal term, or the License Fee shall automatically increase 5% each year, and adjust to market rate upon the second renewal term.
