1. Describe peak occupancy of all vessels combined. Required parking is one space for every three occupants (passengers + crew) of all vessels in operation at a given time.

---

---

2. Identify the location(s) of off-street parking and the number of spaces at each location, if applicable. (Specifics required, including schematic. Public street parking not permitted.)

---

---

3. Identify when are you entitled to use the parking spaces (i.e. days of week, hours of the day) at each location.

---

---

4. How is this parking secured? (Provide authorization letter or lease from the property owner for each off-street parking location.)

---

---

5. Identify all *other* users that are entitled to use each parking facility including their use and hours/days of operation? Provide a copy of their parking agreements (recorded or not).

---

---

6. Describe any form of transportation from the off-street parking to the boarding location (i.e. shuttle service, bus etc.). Please include the number of vehicles and specific loading and unloading locations and procedures.
