

Friday

Print, Clay & Mixed Media

Lisa Albert - Classroom

Paint, draw, collage and print on a variety of materials including canvas and clay while keeping within the fall-time theme. Experience this wonderful and exciting class and take home some amazing masterpieces!

Young Einsteins' STEM Lab

Brainstorm - Classroom

Each day our young scientists will explore different concepts through fun and engaging projects: from Chemistry, Rocketry, Engineering, Coding, and even Robotics.

Skyhawks Multi-Sport

Skyhawks - Mariners Field

We use fun games and drills to engage kids in a variety of sports. One of the following sports is played each week; soccer, flag football, baseball/softball, and basketball. Rules, skills and techniques are introduced with some small-sided games played.

Registration

Step 1 - Visit newportbeachca.gov/ACE

Step 2 - Select **Mariners Elementary**

Step 3 - Select desired classes

Step 4 - Add to cart

Monday

Homework Club

Mrs. Dory - Classroom

Do you struggle getting your child to do their homework? Do they need a quiet place to work with an experienced teacher to lend support? Then Homework Club is the right choice for you and your child! Mrs. Dory will provide a snack and homework help as your child completes their assignments!

Skatedogs Skateboarding

Adam Cohen - Park Basketball Court

Whether you are just learning, or ready to move on to advanced tricks, this popular sport is a fun and exciting way for students to get a great workout while building coordination and self-confidence. Our temporary skate park gives students an ideal opportunity to skate like the pros! Fill your afternoon with ramps and rails as you continue to improve your skating ability each week.

Dinosaurs: Fantastic Prehistoric World

Bionerds - Classroom

Learn the role that each of the major types of dinosaurs played in their ecosystems, and the traits that made them such successful organisms for so long. Do cool paleontological experiments & activities and learn about biological processes.

Tuesday

CORE Athletics

CORE Athletics - Mariners Field

CORE Programs instill a love for sports and physical activity, while developing your child's specific sport skills and overall athleticism. Classes will fine-tune your child's sports skills in a fun, group setting, while exposing them to important life lessons, such as good sportsmanship, teamwork, fairness, and appropriate peer interaction.

Culinary Kids

Culinary Kids - School Kitchen

Spices, rich flavors, exciting new tastes and essential cooking skills. These are just a few of the things we offer young chefs! Our culinary adventures will inspire your child to cook, create, and collaborate in the kitchen while whipping up healthy menu masterpieces!

Wednesday

Print, Clay & Mixed Media

Lisa Albert - Classroom

Paint, draw, collage and print on a variety of materials including canvas and clay while keeping within the fall-time theme. Experience this wonderful and exciting class and take home some amazing masterpieces!

Zumba Kids

CS Dance Factory - MPR Corridor

Zumba Kids® is a total blast! Kids rock out while they work out! This class is a rockin', high-energy dance party packed with specially choreographed, kid-friendly routines and all the music kids love to groove to.

Chess Club

Parker-Anderson Enrichment- Classroom

For all students and all levels, learn to play chess by stimulating their problem-solving, analytical, and critical thinking skills. Learn chess strategies, defenses, and winning moves that will impress friends and family. Compete for trophies and other chess prizes!

Video Game Coding

Code To The Future - Classroom

Our methods integrate both Programming and Game Design, giving students a fun and well-rounded understanding of how to use technology to create.

Thursday

Tee It Up

SCPGA Golf - Mariners Field

An after school golf enrichment program that provides children with the building blocks for future achievement on the golf course and in life. The program is an extension of the classroom and incorporates life skills and academic subjects, students advance through our award-winning 5 level program while receiving professional golf instruction in a safe setting.

Beginning Spanish

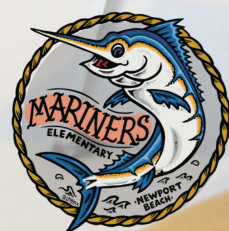

Portal Languages - Classroom

Welcome to the PORTAL Enrichment Program, which provides a unique opportunity to enjoy a language class that will come alive through fun and entertainment with music, puppets, books, posters, picture cards, theater.

Fashion Design & Sewing Basics

Fashion Camp - Classroom

Learn the basics of fashion design and sewing in this fun, skill-building program. We'll teach the basics of hand sewing, then use those skills to apply them to a project. We'll also bring sewing machines for a few weeks to give kids a chance to use the machine. Plus, we'll do some sketching, draping and design activities, too!
