

RESOLUTION NO. 2018-65

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWPORT BEACH, CALIFORNIA, AUTHORIZING THE SUBMITTAL OF LOCAL COASTAL PROGRAM AMENDMENT NO. LC2018-002 TO THE CALIFORNIA COASTAL COMMISSION IMPLEMENTING NEW STATE LAW REQUIREMENTS RELATING TO ACCESSORY DWELLING UNITS (PA2018-099)

WHEREAS, State law (Senate Bill 229 and Assembly Bill 494, Statutes of 2017) requires jurisdictions to amend their local zoning ordinances to conform to California Government Code Section 65852.2;

WHEREAS, Senate Bill 229 and Assembly Bill 494 are intended to address the State housing crisis by easing regulatory barriers for homeowners who choose to construct accessory dwelling units;

WHEREAS, accessory dwelling units provide housing for family members, students, the elderly, in-home health care providers, the disabled, and others, at below market prices within existing neighborhoods. In addition, homeowners who construct accessory dwelling units benefit from added income and increased sense of security;

WHEREAS, allowing accessory dwelling units in conjunction with single-family residential development provides additional rental housing stock;

WHEREAS, accessory dwelling units offer lower cost housing to meet the needs of existing and future residents within existing neighborhoods, while respecting architectural character;

WHEREAS, adopting an ordinance consistent with California Government Code Section 65852.2 ensures that the character of the City of Newport Beach ("City") is preserved to the maximum extent possible and that the City's regulation regarding accessory dwelling units continues to promote the health, safety, and welfare of the community;

WHEREAS, the City has designated areas where accessory dwelling units may be located, when permitted by California Government Code Section 65852.2, based in part upon adequacy of water and sewer services and the impact of accessory dwelling units on traffic flow and public safety;

WHEREAS, as permitted by California Government Code Section 65852.2, the City finds that prohibiting parking in rear alley setbacks is essential to preserve vehicular maneuverability for residents and fire-life safety personnel traveling through the City's narrow alleyways. In addition, prohibiting parking in front setbacks, unless located on a driveway with a minimum twenty-feet (20') in depth, is also essential to ensure that driveways are of sufficient depth to accommodate a vehicle entirely on-site without

protruding into the public right-of-way and blocking pedestrian, bicyclist, and vehicular traffic, creating a life safety condition.

WHEREAS, a public hearing was held on August 9, 2018, in the Council Chambers located at 100 Civic Center Drive, Newport Beach. A notice of time, place and purpose of the public hearing was given in accordance with the Newport Beach Municipal Code ("NBMC"). Evidence, both written and oral, was presented to, and considered by, the Planning Commission at this public hearing;

WHEREAS, on August 9, 2018, the Planning Commission adopted Resolution No. PC2018-025 by a unanimous vote (7-0), recommending approval of Local Coastal Program ("LCP") Amendment No. LC2018-002 to the City Council;

WHEREAS, a public hearing was held on September 11, 2018, in the Council Chambers located at 100 Civic Center Drive, Newport Beach. A notice of time, place and purpose of the public hearing was given in accordance with the NBMC. Evidence, both written and oral, was presented to, and considered by, the City Council at this public hearing; and

The City Council hereby declares that it would have passed this resolution, and each section, subsection,

sentence, clause or phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

Section 6: This action is exempt from environmental review under the California Environmental Quality Act (CEQA) pursuant to Public Resources Code Section 21080.17 and CEQA Guidelines Section 15282(h), which states the adoption of an ordinance regarding second units to implement the provisions of Sections 65852.1 and 65852.2 of the Government Code are exempt from the requirements of CEQA.
