Escape

With over 270 days of sun per year, Newport Beach lets you escape to summer year-round. As the sun goes down, find yourself in the bright, vibrant nightlife of the Newport Peninsula for live entertainment, cocktails, and dancing. Relax and unwind.

Dine

Newport Beach hosts a number of top-rated restaurants, from casual eats to ultra-upscale cuisine. Your stay at Marina Park, at the center of the Balboa Peninsula, places you just a short walk from some of the best food in the City. Boaters who wish to dine and cruise the harbor also have to-go options.

Play

See our dazzling Harbor from a different view through a swim at Marina Park’s beach, or through kayak, sailboat, and SUP classes. The City also plays home to some of the best beaches and surfing within walking distance from the Marina.
