

GET SHIP SHAPE PROGRAM

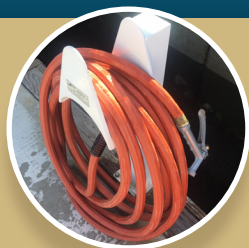

Having trouble keeping your boat looking sharp?

The **GET SHIP SHAPE PROGRAM** provides off-shore mooring permittees an opportunity to address vessel appearance issues and perform light maintenance at an available Marina Park guest slip.

During your boat's complimentary docking, you may perform the following:

- Wash down the exterior
- Clean the interior
- Unload / load materials
- Charge batteries*
- Replenish water supply*
- Pump out the holding tank
- Obtain quotes from service providers
- Conduct light maintenance (pre-approval required)

* Water is free. Power is subject to a \$12 fee plus metered use.

The **GET SHIP SHAPE PROGRAM** is available for off-shore mooring permittees in good standing for a maximum of three hours, Sunday through Thursday, subject to slip availability. No more than one Ship Shape visit per month, please.
