

# DOVER DRIVE TRUNK SEWER RELIEF

## Updated Construction Notification

### PROJECT INFORMATION:

Construction for the **Dover Drive Trunk Sewer Relief Project**. We will be replacing 7,200 feet of 15-18 inch diameter sewer pipeline with a larger 24-inch pipeline.

### WHERE:

Work will begin by installing approximately 1,200 feet of sewer pipeline on **Dover Drive**, between **Irvine Ave** and **Sussex Lane**.

### WHEN:

As early as the beginning of **July 2013** through the end of **August 2013**. Refer to map for working hours.

**\*\*\*Please be advised these dates and times are subject to change due to unforeseen operational factors or inclement weather.\*\*\***

Please visit our website for the most current information.

**Dover Drive / Irvine Ave intersection**  
Mon-Fri., 8:30 a.m. – 4 p.m.  
Sat., 8 a.m. – 6 p.m. (if required)  
Minimum one Irvine Ave lane open in each direction during working hours.

**Dover Drive between Mariners Drive and Sussex Lane**  
Mon-Fri., 7 a.m. – 7 p.m.  
Sat., 8 a.m. – 6 p.m. (if required)  
Full road closure 24/7 except for emergency vehicle access.  
When: As early as July 23 and lasting approx. 3 weeks.

**Dover Drive between Irvine Ave and Mariners Drive**  
Mon-Fri., 7 a.m. – 7 p.m.  
Sat., 8 a.m. – 6 p.m. (if required)  
Full road closure 24/7 except for emergency vehicle access.

### WHAT:

- **Full Road Closure** on **Dover Drive** between **Irvine Ave** and **Mariners Drive**.
- **Lane Restrictions** at the **Dover Drive/Irvine Ave Intersection**.
- **Full Road Closure** on **Dover Drive** between **Mariners Drive** and **Sussex Lane**.

Traffic detour signs are posted to help direct traffic. Emergency vehicles will have through access at all times.

### WHAT TO EXPECT:

Dust and noise control measures will be in place; however, you may still notice some dust and noise depending on the various work activities and the equipment used. Traffic impacts may cause delays. There will be flaggers to maintain local traffic. Your safety and that of our work crews is important. Please assist in our safety efforts by obeying all construction signs and staying away from construction zones.

### CONTACT:

For more information, call the **Construction Hotline** at **(714) 378-2965** or e-mail **constructionhotline@ocsd.com**. For more information about OCSD, please visit our website at **www.ocsewers.com**.

The Dover Drive Trunk Sewer Relief Project is part of the Newport Beach Program. For more information, please visit **www.ocsewers.com/NBProgram**. You can sign up for e-Notifications to get regular updates about the project.

# DOVER DRIVE TRUNK SEWER RELIEF

## Background

The Orange County Sanitation District (OCSD) is a public agency that provides wastewater collection, treatment and disposal services for approximately 2.5 million people in central and northwest Orange County. We operate two facilities—Reclamation Plant No. 1 in Fountain Valley and Treatment Plant No. 2 in Huntington Beach—and treat an average of 210 million gallons of wastewater each day.

## What is this project?

The **Dover Drive Trunk Sewer** runs along Dover Drive from Irvine Avenue to Pacific Coast Highway (PCH). Approximately 7,200 feet of 24-inch diameter sewer line will be installed to replace the existing 15-inch to 18-inch diameter sewer pipeline. In addition, this project also replaces 2,400 feet of a City of Newport Beach waterline.

## Why is the project needed?

The current sewer pipeline was constructed in 1952. It is not large enough to handle the projected wastewater flows and needs to be rehabilitated.

## Where is the work taking place?

Construction is taking place along **Dover Drive between Irvine Avenue and Pacific Coast Highway** in the cities of Costa Mesa and Newport Beach.

## When is the project scheduled?

Construction is scheduled to begin as early as May 2013 and last approximately 15 months. Work will take place Monday through Friday. Hours will vary based on location with occasional Saturday and evening work hours, if required. Notifications will be distributed and posted on our website with specific locations and schedule as the dates approach.

## What impacts can be expected?

OCSD is working diligently on this project to ensure every possible measure is taken to minimize public impacts.

There will be lane closures and night work hours for portions of this project to accelerate the construction schedule. Any business and residential areas impacted by the work will be notified in advance.

There will be street closures between Irvine Avenue and Mariners Drive around Mariners Elementary School during the summer months when the children are on summer break.

If you would like additional information, please call the **Construction Hotline** at **714.378.2965** or e-mail us at **constructionhotline@ocsd.com**. For additional information on the Orange County Sanitation District please visit our website at **www.ocsewers.com**.

The Newport Beach Program consists of five construction projects that will take place in the City of Newport Beach for the next several years. The Dover Drive Trunk Sewer Relief is the first of five projects. For more information please visit [www.ocsewers.com/NBProgram](http://www.ocsewers.com/NBProgram).

We're here for you.
