

City of Newport Beach Dividend Program Update

The City of Newport Beach Dividend Program has been an enormous success for the community. As of August 19, 2014, the program has waived over ***\$1.02 Million*** in private development related fees. This equates to over ***\$50.2 Million*** in new building permit value invested in the community.

For answers to questions or additional information please contact the Community Development Department at (949) 644-3200. The last day of the program is December 12, 2014.
