V.) Frequently Asked Questions

1.) Note on Group Placement

We arrange Junior Lifeguard groups roughly according to abilities. **We Do Not Take Requests For Friend Parings.** Safety is our number one priority in making group placements. Newport Beach Junior Lifeguards is public safety education program designed to create ocean safe children, not a recreation or social program. There are plenty of opportunities for your JG to be with their friends outside of JGs.

Please do not request you child be moved to be with a friend. Thank you

2.) Emergency Contacting your JG

If you need to contact your child during Junior Lifeguard Class, for an emergency or with vital information, call the Junior Lifeguard Headquarters at: **(949) 644-3170**

Your message will be delivered as quickly as possible. **Do not call your child's cell phone. They are not allowed to use their cell phones during Junior Lifeguard class.**

You can email us at newportjg@nbfd.net with routine information for your child or your child's instructor.

3.) Weather/ Surf Conditions

JG classes are held in all weather and surf conditions. Activities will be adjusted for the safety.

4.) Attendance

Leaving Early

If your child needs to leave his/her Junior Lifeguard class early, he/she is required to bring a **written note from a parent in advance**. Without a prior notice, your child may be a mile and 20 minutes from JGHQ. Please send a note so the instructor can make prior arrangements to have your child at the trailer at the given time. Please check out your child at the JG trailer when they leave.

Absences

In the case of an unplanned absence, please have your child bring a parent note on their return. **NO phone call is necessary**. Your child's Junior Lifeguard Instructor will collect all attendance related correspondence.

Junior Lifeguards may miss **up to five days** and still graduate at the highest rank (along with the other requirements). After missing 5 days, Junior Lifeguards may "make-up" a day by participating in the morning **and** afternoon sessions. This requires pre-arrangement and instructor approval.

5.) Special Medical Needs or Medications

If your child is on medication or has special medical needs please promptly inform his/her instructor as well as the JG program Captain or Supervisor.

6.) Break

Each group takes a 15-minute break during their class session. Junior Lifeguards should use this time to go to the restroom (with a partner), reapply sunscreen, re-hydrate, or eat a snack. **This is not playtime.**

7.) Phone Use

If a Junior Lifeguard needs to call a parent or guardian during class time, we ask that they receive permission from their Instructor. They will then be able to use the phone located in the Junior Lifeguard trailer. Junior Lifeguards are **not** permitted to use personal cell phones during class.

8.) Personal Items

Junior Lifeguards may store personal items such as scooters, surfboards, and skateboards in the designated storage area during Junior Lifeguard class. All personal items should be marked with the Junior Lifeguard's first and last name in permanent marker.

9.) Drop-off and Pick-up of JG's

The designated drop off area for Junior Lifeguards is at the flagpole on Main Street.

Turn Right on Palm St and follow the road around without entering the Main St parking lot. You will see the drop off area on the right, just past the pier when you turn on Main. JG staff will be on hand to provide safety and supervision.

AVOID the “A” & “B” Street parking lots.

Pay the Meters 8am-6pm and Do not park illegally

In addition, keep in mind that our surrounding areas are both commercial and residential. Please respect all of our neighbors especially on the Peninsula and Balboa Island. In addition, if your child rides the ferry, please remind them to respect the operators and passengers.

***Safety is our number one priority. Please drive carefully and follow all motor vehicle laws!!!!**

10.) Pedestrian/Bike Laws

It is important that Junior Lifeguards obey all traffic laws in order to ensure their own safety as well as others while going to and from Junior Lifeguards.

11.) Illness

If a child is too injured or ill to participate in the Junior Lifeguard Program, it is best if they take time off from Junior Lifeguards in order to recover. However, if the Junior Lifeguard is able to participate in a limited capacity, they may attend provided his/her instructor has been notified by a written note of the situation.

12.) Friends and Relatives

Due to liability and safety reasons, we do not allow any children to participate in Junior Lifeguards activities who are not enrolled in the program.
