

# ACCESSIBILITY PUBLIC WORKSHOP

## 2013 CALIFORNIA BUILDING CODE UPDATE

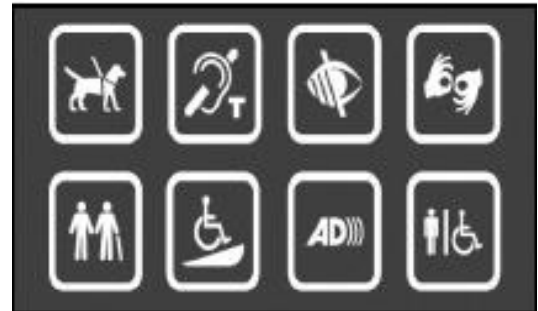

**Join us** for an informative session on the **2013 California Building Code** updates for **ACCESSIBILITY**. The Building Division will present the new 2013 code requirements for accessibility standards that are in effect as of January 1, 2014. California's accessibility regulations have integrated the most accessible provisions of the 2010 Americans with Disabilities Act (ADA) standards with the 2013 California Building Code into a single comprehensive code.

Contractors, architects, residents, and commercial building owners are invited to attend.

Tim McCormick will present significant changes to the 2013 California Building Code for Accessibility. Tim McCormick is a Certified Access Specialist (CASp) and the Director of Special Projects and ADA Services at VCA Code in Orange, California.

The opportunity for three hours of Continuing Education Units is available with pre-registration.
