

Neighborhood Forum: Newport Dunes Resort

Summer months bring warm days and more events at the Dunes. As a kick off to the season, the City of Newport Beach is hosting a neighborhood forum to give the surrounding communities the opportunity to receive updates, share ideas and foster relationships.

City representatives to include the Police Department, Code Enforcement, Recreation and Community Development.

- **LEARN** about upcoming summer events.
- **MEET** the City's noise control consultant and learn about how he will serve as an on-site noise mitigation expert during large events.
- **LEARN** about a proposed conditional use permit to address the size and number of special events and establish noise control and security standards.
- **SHARE** your thoughts and questions.

Join us at 6:00 p.m. on Thursday, May 28, 2015
