

SUBCONTRACTOR BUSINESS LICENSE LIST

Dear Owner/Builder or Contractor:

All general contractors and sub-contractors who operate in Newport Beach must comply with the provisions as set forth in Municipal Code Sec. 5.04.020, which requires proof of a valid City of Newport Beach business license upon commencing their activity in Newport Beach.

Therefore, we request that building owners and/or general contractors complete the information on the reverse side of this letter prior to their job being finalized. Your cooperation will prevent unnecessary inspections at your job site to ensure all contractors are licensed.

Please complete all pages of this form and return it to the Revenue Division in one of the following ways:

in person at City Hall, via fax at 949-644-3073, or email to revenuehelp@newportbeachca.gov.

In order to verify your subcontractors' business licenses, you may visit the Revenue Division website at: <http://www.newportbeachca.gov/Revenue> and follow the link to the Business Search. Should a contractor need to obtain a business license, they may do so using our convenient online service at www.newportbeachca.gov/Business.
