

CITY OF NEWPORT BEACH

Public Works Department

Harbor Resources Division

February 3, 2016

Dear Mooring Permittee:

The City will be conducting a lottery to rent 12 Dinghy rack spaces at Marina Park. The racks—available for \$25.00 per month—have been installed on the dock, and dinghies can be launched and hauled out adjacent to the racks.

If you are interested in participating in the drawing, please complete the attached Dinghy Rack Application and Agreement Form and submit it to Harbor Resources by 12:00 p.m. on February 19, 2016 by mail (postmarks not accepted), email, or in person. The Applications are also available on the City website under the Harbor Resources Department page: www.newportbeachca.gov/harborresources.

All applications must be received by the above date and time to be eligible for the drawing. At random, permittees will be selected to occupy space in the dinghy rack. Winners will be notified mid-February. Remaining forms will be randomly chosen and names placed on the list in the order they are drawn. Only current permittees (on-shore or off-shore) in good standing may participate in the lottery.

Applications may be hand delivered, mailed, or emailed to:
