

CITY OF NEWPORT BEACH

CALIFORNIA RESIDENTIAL ENERGY REQUIREMENTS WORKSHOP

February 24, 2016 / 1:00 p.m. – 5:00 p.m.
Civic Center Community Room - 100 Civic Center Drive

Dear Design Professional:

We are pleased to invite you to attend a public workshop on **California Residential Energy Requirements**, presented by Fady Mattar, PE, CBO.

***Fady Mattar** is a Certified Building Official who holds Bachelor's and Master's Degrees in Mechanical Engineering. He is a licensed Mechanical Engineer in the State of California and is a certified instructor with International Code Council (ICC) which publishes the international codes. Fady is the past Vice Chairman of the California Building Standards Commission as well as serving as chair and belonging to various code committees. He is a member of organizations such as ICC, California Building Officials (CALBO), International Association of Plumbing & Mechanical Officials (IAPMO), American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE), and American Society of Plumbing Engineers (ASPE). In addition, Fady has taught classes for organizations such as ICC and CALBO and mechanical engineering at UCLA.*

Workshop Date: Wednesday, February 24, 2016
Location: Civic Center Community Room
(Adjacent to Civic Center Council Chambers)
100 Civic Center Drive, Newport Beach
Time: 1:00 p.m. to 5:00 p.m.

Please RSVP that you will be attending the workshop to Debi Schank at: dschank@newportbeachca.gov or (949) 644-3284.

Best Regards,

Seimone Jurjis, PE, CBO
Assistant Community Development Director | Chief Building Official
