

July 14, 2016
TS-0XX

TO: FIRE OPERATIONS

FROM: TRAINING BATTALION CHIEF NICK STOCKS

SUBJECT: ENGINEER'S EXAM STUDY LIST

DISPOSITION: RETAIN IN BRIEFING FILE UNTIL OCTOBER 1, 2016 THEN DISCARD.

Training Services and Human Resources will be conducting a promotional exam for Fire Engineer in September of 2016. The testing process will include both written and manipulative components. Below is a list of study materials that will assist candidates in preparing for the exam.

- PUMPING AND AERIAL APPARATUS DRIVER/OPERATOR HANDBOOK, IFSTA 3rd Edition. *This book combines previous Pumping and Aerial Apparatus books*
- CFSTES Driver Operator 1A and 1B course material
- Newport Beach Fire Department Certification Manual(s) (intranet):
 - Engine Certification Manual
 - Truck Certification Manual
- California Commercial Driver's Handbook 2014-2015
 - https://dmv.ca.gov/web/eng_pdf/comlhdbk.pdf
- Newport Beach Fire Department SOP's and Policies and Procedures
- Newport Beach Fire Department Fire Run Book (Maps)
- Apparatus Manuals (intranet):
 - Aerial Ladder Operator's Manual
 - Arrow XT Chassis Operator's Manual
 - Hercules 200 CFM Operation and Maintenance Manual
 - Custom Chassis Operator's Manual
 - Pumper Operation and Maintenance Manual
 - Tiller Operator's Manual
 - Velocity Chassis Operators Manual

Intranet location to review PDF and up-to-date manuals:

Safety Net > Fire Operations Division > Training Services > Training Resource > Manuals

Should you have any questions or need further clarification, please contact Training Services Battalion Chief Nick Stocks.
