Los Angeles, CA 90013

Calling within California: 1-800-927-4357

The Department of Insurance should be contacted only after discussions with the insurer have failed to produce a satisfactory resolution to the problem.

Please read your entire certificate so you will know from whom, or what group of providers, in-network dental benefits may be obtained.

If you opt to receive dental services that are not covered services under this policy, a participating dental provider may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about dental coverage options, you may call member services at 1-800-Cigna24 or your insurance broker. To fully understand your coverage, you may wish to carefully review this evidence of coverage document.

How To File Your Claim

There's no paperwork for In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to Cigna for reimbursement. Out-of-Network claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on your identification card or by calling Member Services using the toll-free number on your identification card.

CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT/GROUP NUMBER WHEN YOU FILE CIGNA'S CLAIM FORMS, OR WHEN YOU CALL YOUR CIGNA CLAIM OFFICE.

YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.

YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.

- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

Timely Filing of Out-of-Network Claims

Cigna will consider claims for coverage under our plans when proof of loss (a claim) is submitted within one year (365 days) after services are rendered. If services are rendered on consecutive days, such as for a Hospital Confinement, the limit will be counted from the last date of service. If claims are not submitted within one year, the claim will not be considered valid and will be denied.

WARNING: Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

Eligibility - Effective Date

Employee Insurance

This plan is offered to you as an Employee.

Eligibility for Employee Insurance

You will become eligible for insurance on the day you complete the waiting period if:

- you are in a Class of Eligible Employees; and
- you are an eligible, full-time Employee; and
- you normally work at least 40 hours a week; and
- you pay any required contribution.

If you were previously insured and your insurance ceased, you must satisfy the New Employee Group Waiting Period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within one year after your insurance ceased.

Initial Employee Group: You are in the Initial Employee Group if you are employed in a class of employees on the date that class of employees becomes a Class of Eligible Employees as determined by your Employer.

New Employee Group: You are in the New Employee Group if you are not in the Initial Employee Group.

Eligibility for Dependent Insurance

You will become eligible for Dependent insurance on the later of:

- the day you become eligible for yourself; or
- the day you acquire your first Dependent.

Waiting Period

Initial Employee Group: None.

New Employee Group: The first day of the month following date of hire.

Classes of Eligible Employees

Each Employee as reported to the insurance company by your Employer.

Effective Date of Employee Insurance

You will become insured on the date you elect the insurance by signing an approved payroll deduction or enrollment form, as applicable, but no earlier than the date you become eligible.

You will become insured on your first day of eligibility, following your election, if you are in Active Service on that date, or if you are not in Active Service on that date due to your health status.

Late Entrant - Employee

You are a Late Entrant if:

- you elect the insurance more than 30 days after you become eligible; or
- you again elect it after you cancel your payroll deduction (if required).

Dependent Insurance

For your Dependents to be insured, you will have to pay the required contribution, if any, toward the cost of Dependent Insurance.

Effective Date of Dependent Insurance

Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form (if required), but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

Your Dependents will be insured only if you are insured.

Late Entrant – Dependent

You are a Late Entrant for Dependent Insurance if:

- you elect that insurance more than 30 days after you become eligible for it; or

- you again elect it after you cancel your payroll deduction (if required).

Exception for Newborns

Any Dependent child born while you are insured will become insured on the date of his birth if you elect Dependent Insurance no later than 31 days after his birth. Important Information about Your Dental Plan

When you elected Dental Insurance for yourself and your Dependents, you elected one of the two options offered:

- **Cigna Dental Care; or**
- **Cigna Dental Preferred Provider**

Details of the benefits under each of the options are described in the following pages.

When electing an option initially or when changing options as described below, the following rules apply:

- **You and your Dependents may enroll for only one of the options, not for both options.**
- **Your Dependents will be insured only if you are insured and only for the same option.**

Change in Option Elected

If your plan is subject to Section 125 (an IRS regulation), you are allowed to change options only at Open Enrollment or when you experience a “Life Status Change.”

If your plan is not subject to Section 125 you are allowed to change options at any time.

Consult your plan administrator for the rules that govern your plan.

Effective Date of Change

If you change options during open enrollment, you (and your Dependents) will become insured on the effective date of the plan. If you change options other than at open enrollment (as allowed by your plan), you will become insured on the first day of the month after the transfer is processed.

Cigna Dental Care: Choice of Dental Office

If you elect Cigna Dental Care you must select a Network General Dentist and an alternate provider from a list provided by CDH. CDH will notify you if your first choice of provider is not available and you will be assigned to the alternate provider. Each insured family member may select their own Network General Dentist.

Dental coverage only applies if:

- the dental service is received from your Network General Dentist; or
- your Network General Dentist refers you to a specialist approved by CDH; or
- the service is otherwise authorized by CDH; or
- the service is Emergency Treatment as specified in your certificate.

A transfer to a different Network General Dentist takes effect on the first day of the month after it is authorized by CDH.

Cigna Dental Preferred Provider Insurance

The Schedule

For You and Your Dependents

The Dental Benefits Plan offered by your Employer includes two options. When you select a Participating Provider, this plan pays a greater share of the cost than if you were to select a non-Participating Provider.

Emergency Services

The Benefit Percentage for Emergency Services incurred for charges made by a non-Participating Provider is the same Benefit Percentage as for Participating Provider Charges. Dental Emergency services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.

Deductibles

Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.

Participating Provider Payment

Participating Provider services are paid based on the Contracted Fee that is agreed to by the provider and Cigna. Based on the provider's Contracted Fee, a higher level of plan payment may be made to a Participating Provider resulting in a lower payment responsibility for you. To determine how your Participating Provider compares refer to your provider directory.

Provider information may change annually; refer to your provider directory prior to receiving a service. You have access to a list of all providers who participate in the network by visiting www.mycigna.com.

Non-Participating Provider Payment

Non-Participating Provider services are paid based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 90th percentile of all provider charges in the geographic area.

Simultaneous Accumulation of Amounts

Benefits paid for Participating and non-Participating Provider services will be applied toward both the Participating and non-Participating Provider maximum shown in the Schedule.

Expenses incurred for either Participating or non-Participating Provider charges will be used to satisfy both the Participating and non-Participating Provider Deductibles shown in the Schedule.

BENEFIT HIGHLIGHTS	PARTICIPATING PROVIDER	NON-PARTICIPATING PROVIDER
Classes I, II, III, IX Combined Calendar Year Maximum	\$2,000	
Class IV Lifetime Maximum	\$2,000	\$2,000
Calendar Year Deductible		
Individual	Not Applicable	\$50 per person
Family Maximum	Not Applicable	\$150 per family

BENEFIT HIGHLIGHTS	PARTICIPATING PROVIDER	NON-PARTICIPATING PROVIDER
Class I Preventive Care	100%	100%
Class II Basic Restorative	90%	80% after plan deductible
Class III Major Restorative	60%	50% after plan deductible
Class IV Orthodontia	50%	50%
Class IX Implants	60%	50% after plan deductible

Missing Teeth Limitation

The amount payable for the replacement of teeth that are missing when a person first becomes insured is 50% of the amount payable for the replacement of teeth that are extracted after a person has dental coverage.

This payment limitation no longer applies after 12 months of continuous coverage.

This limit will not apply to any person who is a member of the Initial Employee group.

HC-MTL7

04-10
V1

Covered Dental Expense

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the determination and maintenance for oral health and to restore identified disease;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III the service is started and completed while coverage is in effect, except for services described in the "Benefits Extension" section.

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's

dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

Dental PPO – Participating and Non-Participating Providers

Plan payment for a covered service delivered by a Participating Provider is the Contracted Fee for that procedure, times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is responsible for the balance of the Contracted Fee.

Plan payment for a covered service delivered by a non-Participating Provider is the Maximum Reimbursable Charge for that procedure, times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is responsible for the balance of the non-Participating Provider's actual charge.

Payments for comprehensive full-banded orthodontic treatment are made in installments. Benefit payments will be made every 3 months. The first payment is due when the appliance is installed. Later payments are due at the end of each 3-month period. The first installment is 25% of the charge for the entire course of treatment. The remainder of the charge is prorated over the estimated duration of treatment. Payments are only made for services provided while a person is insured. Coordination of Benefits

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits or services for medical or dental care or treatment:

- Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- Governmental benefits as permitted by law, excepting Medicaid, Medicare and Medicare supplement policies.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Closed Panel Plan

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

Primary Plan

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

Secondary Plan

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

Allowable Expense

A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and

one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.

- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

Claim Determination Period

A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

Reasonable Cash Value

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan.
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee.
- If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - then, the Plan of the parent with custody of the child;
 - then, the Plan of the spouse of the parent with custody of the child;
 - then, the Plan of the parent not having custody of the child; and
 - finally, the Plan of the spouse of the parent not having custody of the child.

- The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for you. Cigna will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

As each claim is submitted, Cigna will determine the following:

- Cigna's obligation to provide services and supplies under this policy;
- whether a benefit reserve has been recorded for you; and
- whether there are any unpaid Allowable Expenses during the Claims Determination Period.

If there is a benefit reserve, Cigna will use the benefit reserve recorded for you to pay up to 100% of the total of all Allowable Expenses. At the end of the Claim Determination Period, your benefit reserve will return to zero and a new benefit reserve will be calculated for each new Claim Determination Period.

Recovery of Excess Benefits

If Cigna pays charges for benefits that should have been paid by the Primary Plan, or if Cigna pays charges in excess of those for which we are obligated to provide under the Policy, Cigna will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

Cigna will seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

Right to Receive and Release Information

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

Payment of Benefits

To Whom Payable

Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the

person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the following:

- the date you meet the criteria shown in the following Sections B through H.

B. Change of Status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

G. Reduction in work hours

If an Employee's work hours are reduced below 30 hours/week (even if it does not result in the Employee losing eligibility for the Employer's coverage); and the Employee (and family) intend to enroll in another plan that provides Minimum Essential Coverage (MEC). The new coverage must be effective no later than the 1st day of the 2nd month following the month that includes the date the original coverage is revoked.

H. Enrollment in Qualified Health Plan (QHP)

The Employee must be eligible for a Special Enrollment Period to enroll in a QHP through a Marketplace or the Employee wants to enroll in a QHP through a Marketplace during the Marketplace's annual open enrollment period; and the disenrollment from the group plan corresponds to the intended enrollment of the Employee (and family) in a QHP through a Marketplace for new coverage effective beginning no later than the day immediately following the last day of the original coverage.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED17

10-10

Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you

and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

HC-FED18

10-10

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled

“Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before

the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer’s Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the

occurrence of a qualifying event, 44 days after the qualifying event occurs; or

- in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

The Following Will Apply To Residents of California

When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "you", "your" or "Member" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start with Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you can call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on your Benefit Identification card, explanation of benefits or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your Benefit Identification card, explanation of benefits or claim form.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals

involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, we will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration. You may present your situation to the Committee in person or by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For postservice claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You also have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the decision on review. You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance regulatory agency. You may also contact the Plan Administrator.

Legal Action

If your plan is governed by ERISA, you have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. II. Introduction to Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for dental plan operation purposes.

III. Eligibility/When Coverage Begins

A. In General

To enroll in the Dental Plan, you and your Dependents must live or work in the Service Area and be able to seek treatment for Covered Services within the Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract,

you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health to be provided at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Prepayment Fees.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Prepayment Fees, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Prepayment Fees, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

B. New Enrollee Transition of Care

If you or your enrolled Dependents are new enrollees currently receiving services for any of the conditions described hereafter from a non-Network Dentist, you may request Cigna Dental to authorize completion of the services by the non-Network Dentist. Cigna Dental does not cover services provided by non-Network Dentists except for the conditions described hereafter that have been authorized by Cigna Dental prior to treatment. Rare instances where prolonged treatment by a non-Network Dentist might be indicated will be evaluated on a case-by-case basis by the Dental Director in accordance with professionally recognized standards of dental practice. Authorization to complete services started by a non-Network Dentist before you or your enrolled Dependents became eligible for Cigna Dental shall be considered only for the following conditions:

- (1) an acute condition. An acute condition is a dental condition that involves a sudden onset of symptoms due to an illness, injury, or other dental problem that requires prompt dental attention and that has a limited duration. Completion of the covered services

shall be provided for the duration of the acute condition.

- (2) newborn children between birth and age 36 months. Cigna Dental shall provide for the completion of covered services for newborn children between birth and age 36 months for 12 months from the effective date of coverage for a newly covered enrollee.
- (3) performance of a surgery or other procedure that is authorized by Cigna Dental and has been recommended and documented by the non-Network Dentist to occur within 180 days of the effective date of your Cigna Dental coverage.

C. Renewal Provisions

Your coverage under the Dental Plan will automatically be renewed, except as provided in the section entitled “Disenrollment From The Dental Plan – Termination of Benefits.” All renewals will be in accordance with the terms and conditions of your Group Contract. Cigna Dental reserves any and all rights to change the Prepayment Fees or applicable Copayments during the term of the Group Contract if Cigna Dental determines the Group’s information relied upon by Cigna Dental in setting the Prepayment Fees materially changes or is determined by Cigna Dental to be inaccurate.

This section provides information that will help you to better understand your Dental Plan. Included is information about how to access your dental benefits and your payment responsibilities.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. If you have a question about your treatment plan, we can arrange a second opinion or consultation. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Prepayment Fees

Your Group sends a monthly Prepayment Fee (premium) to Cigna Dental for customers participating in the Dental Plan. The amount and term of this prepayment fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this Prepayment Fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges - Copayments

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. Network Specialty Dentists are compensated based on a contracted fee arrangement for services rendered. No bonuses or financial incentives are used as inducements to limit services. Network Dentists are also compensated by the Copayments that you pay, as set out in your Patient Charge Schedule. You may request general information about these matters from Customer Service or from your Network Dentist.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan, subject to plan exclusions and limitations. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the Copayments you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist is instructed to tell you about Copayments for Covered Services, the amount you must pay for optional or non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances. **IMPORTANT:** If you opt to receive dental services that are not covered services under this plan, a participating dentist may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about dental coverage options, you may call Customer Service at 1-800-Cigna24 or your insurance broker. To fully understand your coverage, you may wish to carefully review this evidence of coverage document.

Your Patient Charge Schedule is subject to change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Copayments at least 30 days prior to such change. You will be responsible for the Copayments listed on the

Patient Charge Schedule that is in effect on the date a procedure is started.

D. Facilities - Choice of Dentist

1. In General

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

2. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

3. Office Transfers

If you decide to change Dental Offices, we encourage you to complete any dental procedure in progress first. To arrange a transfer, call Customer Service at

1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Copayments which you owe to your current Dental Office must be paid before the transfer can be processed. Copayments for procedures not completed at the time of transfer may be required to be prorated between your current Dental Office and the new Dental Office, but will not exceed the amount listed on your Patient Charge Schedule.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the Copayments listed on your Patient Charge Schedule, subject to applicable exclusions and limitations. For services listed on your Patient Charge Schedule provided at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist available in the Service Area to treat you, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Copayment for Covered Services. Cigna Dental will pay the non-Network Dentist the difference between his or her Usual Fee and the applicable Copayment. If you seek treatment for Covered Services from a non-Network Dentist without authorization from Cigna Dental, you will be responsible for paying the non-Network Dentist his or her Usual Fee. See Section IV.G, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.

- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist. Except for Pediatrics, Orthodontics and Endodontic services, payment authorization is required for coverage of services by a Network Specialty Dentist.

See Section IV.D *Facilities-Choice of Dentist*, regarding treatment by a Pediatric Dentist.

G. Specialty Referrals

1. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization prior to rendering the service. Prior authorization from Cigna Dental is not required for specialty referrals for Pediatrics, Orthodontics and Endodontic services. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

If your Patient Charge Schedule reflects coverage for Orthodontic services, a referral from a Network General Dentist is not required to receive care from a Network Orthodontist. However, your Network General Dentist may be helpful in assisting you to choose or locate a Network Orthodontist.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section V.A.7, *Orthodontics*.

Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

If Cigna Dental makes an Adverse Determination of the requested referral (i.e. Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services), or if the dental services sought are not Covered Services, you will be responsible to pay the Network Specialty Dentist's Usual Fee for the services rendered. If you have a question or

concern regarding an authorization or a denial, contact Customer Service.

Specialty referrals will be authorized by Cigna Dental if the services sought are: Covered Services; rendered to an eligible customer; within the scope of the Specialty Dentist's skills and expertise; and meet Clinical Necessity requirements. Cigna Dental may request medical information regarding your condition and the information surrounding the dentist's determination of the Clinical Necessity for the request. Cigna Dental shall respond in a timely fashion appropriate for the nature of your condition, not to exceed five business days from Cigna Dental's receipt of the information reasonably necessary and requested by Cigna Dental to make the determination. When you face imminent and serious threat to your health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or the normal timeframe for the decision making process would be detrimental to your life or health or could jeopardize your ability to regain maximum function, the decision to approve, modify, or deny requests shall be made in a timely fashion appropriate for the nature of your condition, not to exceed 72 hours after receipt of the request.

Decisions to approve, modify, or deny requests for authorization prior to the provision of dental services shall be communicated to the requesting dentist within 24 hours of the decision. Decisions resulting in denial, delay, or modification of all or part of the requested dental service shall be communicated to the customer in writing within 2 business days of the decision. Adverse Determinations may be appealed as described in the Section entitled "What To Do If There Is A Problem/Grievances."

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Copayment for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference

between his or her Usual Fee and the applicable Copayment. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee. Or, if you seek treatment for Covered Services from a non-Network Dentist without authorization from Cigna Dental, you will be responsible for paying the dentist's Usual Fee.

You may request from Customer Service a copy of the process that Cigna Dental uses to authorize, modify, or deny requests for specialty referrals and services.

2. Second Opinions

If you have questions or concerns about your treatment plan, second opinions are available to you upon request by calling Customer Service. Second opinions will generally be scheduled within 5 days. In the case of an imminent and serious health threat, as determined by Cigna Dental clinicians, second opinions will be rendered within 72 hours. Cigna Dental's policy statement on second opinions may be requested from Customer Service.

V. Covered Dental Services

A. Categories of Covered Services

Dental procedures in the following categories of Covered Services are covered under your Dental Plan when listed on your Patient Charge Schedule and performed by your Network Dentist. Please refer to your Patient Charge Schedule for the procedures covered under each category and the associated Copayment.

1. Diagnostic/Preventive

Diagnostic treatment consists of the evaluation of a patient's dental needs based upon observation, examination, x-rays and other tests. Preventive dentistry involves the education and treatment devoted to and concerned with preventing the development of dental disease. Preventive Services includes dental cleanings, oral hygiene instructions to promote good home care and prevent dental disease, and fluoride application for children to strengthen teeth.

a. Limitation

The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency. If your Network Dentist certifies to Cigna Dental that, due to medical necessity you require certain Covered Services more frequently than the

limitation allows, Cigna Dental will waive the limitation.

2. Restorative (Fillings)

Restorative dentistry involves materials or devices used to replace lost tooth structure or to replace a lost tooth or teeth.

3. Crown and Bridge

An artificial crown is a restoration covering or replacing the major part, or the whole of the clinical crown of a tooth. A fixed bridge is a prosthetic replacement of one or more missing teeth cemented to the abutment teeth adjacent to the space. The artificial tooth used in a bridge to replace the missing tooth is called a pontic.

a. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge, and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges, and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit copayment for each unit of crown, bridge and /or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for complex rehabilitation for each unit beginning with the 6th unit when 6 or more units are prescribed in your Network General Dentist's treatment plan. The additional charge for complex rehabilitation will not be applied to the first 5 units of crown or bridge.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

b. Limitations

- (1) all charges for crown and bridge are per unit (each replacement or supporting tooth equals one unit).
- (2) limit 1 every 5 years unless Cigna Dental determines that replacement is necessary because the existing crown or bridge is unsatisfactory as a result of poor quality of care, or because the tooth involved has experienced extensive loss or changes in tooth structure or supporting tissues since the placement of the crown or bridge.

c. Exclusion

- (1) there is no coverage for crowns, bridges used solely for splinting. This exclusion will not apply if a crown or bridge is determined by Cigna Dental to be the treatment most consistent with professionally accepted standards of care.
- (2) there is no coverage for implant supported prosthesis used solely for splinting unless specifically listed on your Patient Charge Schedule.
- (3) there is no coverage for resin bonded retainers and associated pontics.
- (4) there is no coverage for the recementation of any inlay, onlay, crown, post and core, fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.
- (5) the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

4. Endodontics

Endodontics is root canal treatment, which may be required when the nerve of a tooth is damaged due to trauma, infection, or inflammation. Treatment consists of removing the damaged nerve from the

root of the tooth and filling the root canal with a rubber-like material. Following endodontic treatment, a crown is usually needed to strengthen the weakened tooth.

Exclusions

1. Coverage is not provided for Endodontic treatment of teeth exhibiting a poor or hopeless periodontal prognosis.
2. Coverage is not provided for intentional root canal treatment in the absence of injury or disease to solely facilitate a restorative procedure.

5. Periodontics

Periodontics is treatment of the gums and bone which support the teeth. Periodontal disease is chronic. It progresses gradually, sometimes without pain or other symptoms, destroying the support of the gums and bone. The disease is a combination of deterioration plus infection.

a. Preliminary Consultation

This consultation by your Network General Dentist is the first step in the care process. During the visit, you and your Network General Dentist will discuss the health of your gums and bone.

b. Evaluation, Diagnosis and Treatment Plan

If periodontal disease is found, your Network General Dentist or Network Specialty Dentist will develop a treatment plan. The treatment plan consists of mapping the extent of the disease around the teeth, charting the depth of tissue and bone damage and listing the procedures necessary to correct the disease.

Depending on the extent of your condition, your Network General Dentist or Network Specialty Dentist may recommend any of the following procedures:

- (1) **Non-surgical Program** - this is a conservative approach to periodontal therapy. Use of this program depends upon how quickly you heal and how consistently you follow instructions for home care. This program may include:
 - scaling and root planing
 - oral hygiene instruction
 - full mouth debridement
- (2) **Scaling and Root Planing** - this periodontal therapy procedure combines scaling of the crown and root surface with

root planing to smooth rough areas of the root. This procedure may be performed by the dental hygienist or your Network General Dentist.

- (3) **Osseous Surgery** - bone (osseous) surgery is a procedure used in advanced cases of periodontal disease to restructure the supporting gums and bone. Without this surgery, tooth or bone loss may occur. Two checkups by the Periodontist are covered within the year after osseous surgery.
- (4) **Occlusal Adjustment** - occlusal adjustment requires the study of the contours of the teeth, how they bite (occlude) and their position in the arch. It consists of a recontouring of biting surfaces so that direct biting forces are along the long axis of the tooth. If the biting forces are not properly distributed, the bone, which supports the teeth, may deteriorate.
- (5) **Bone Grafts and other regenerative procedures** - this procedure involves placing a piece of tissue or synthetic material in contact with tissue to repair a defect or supplement a deficiency.

c. Limitations

1. Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.
2. Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

d. Exclusion

1. General anesthesia, sedation and nitrous oxide are not covered, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, IV sedation is covered when medically necessary and provided in conjunction with Covered Services performed by a Periodontist. General anesthesia is not covered when provided by a Periodontist. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.
2. There is no coverage for Periodontal (gum tissue and supporting bone) surgery of teeth

exhibiting a poor or hopeless periodontal prognosis.

3. There is no coverage for the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
4. There is no coverage for bone grafting and/or guided tissue regeneration when performed at the site of a tooth extraction, unless specifically listed on your Patient Charge Schedule.
5. There is no coverage for bone grafting and/or guided tissue regeneration when performed in conjunction with an apicoectomy or periradicular surgery.
6. There is no coverage for localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

6. Oral Surgery

Oral surgery involves the surgical removal of teeth or associated surgical procedures by your Network General Dentist or Network Specialty Dentist.

a. Limitation

The surgical removal of a wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Temporary pain from normal eruption is not considered disease. Your Patient Charge Schedule lists any limitations on oral surgery.

b. Exclusion

General anesthesia, sedation and nitrous oxide are not covered unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

7. **Orthodontics** (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

a. **Definitions** - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- (1) **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- (2) **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- (3) **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- (4) **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

b. **Copayments**

The Copayment for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Orthodontic Treatment Plan and Records. However, if (a) banding/appliance insertion does not occur within 90 days of such visit, (b) your treatment plan changes, or (c) there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Copayment for orthodontic treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Copayment will be reduced on a prorated basis.

c. **Additional Charges**

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- (1) incremental costs associated with optional/elective materials, including but

not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

- (2) orthognathic surgery and associated incremental costs;
- (3) appliances to guide minor tooth movement;
- (4) appliances to correct harmful habits; and
- (5) services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

d. **Orthodontics in Progress**

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, call Customer Service at 1-800-Cigna24 to find out the benefit to which you are entitled based upon your individual case and the remaining months of treatment.

e. **Exclusion**

Replacement of fixed and/or removable orthodontic appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.

B. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. Emergency dental care services may include examination, x-rays, sedative fillings, dispensing of antibiotics or pain relief medication or other palliative services prescribed by the treating dentist. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g., root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Copayments listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference between the dentist's usual fee for emergency Covered Services and your Copayment, up to a total of \$50 per incident. To receive reimbursement, send the dentist's itemized statement

to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Copayment listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Copayments.

VI. Exclusions

In addition to the exclusions listed in Section V, listed below are the services or expenses which are also NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

- services not listed on the Patient Charge Schedule.
- services provided by a non-Network Dentist without Cigna Dental's prior approval (except emergencies, as described in Section V.B.).
- services to the extent you, or your Dependent, are compensated for them under any group medical plan.
- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.

If bleaching (tooth whitening) is listed on your Patient Charge Schedule, only the use of take-home bleaching gel with trays is covered; all other types of bleaching methods are not covered.
- prescription medications.
- hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination. If special circumstances arise where a Network Dentist is not available, the Plan will make special arrangements for the provision of covered benefits as necessary for the dental health of the customer.)
- procedures, appliances or restorations if the main purpose is to: change vertical dimension (degree of separation of the jaw when teeth are in contact); restore asymptomatic teeth where loss of tooth structure was caused by attrition, abrasion, erosion and/or abfraction and the primary purpose

of the restoration is: to change the vertical dimension of occlusion; or for cosmetic purposes.

- procedures or appliances for minor tooth guidance or to control harmful habits.
- charges by dental offices for failing to cancel an appointment or canceling an appointment with less than 24 hours notice (i.e. a broken appointment). You will be responsible for paying any broken appointment fee unless your broken appointment was unavoidable due to emergency or exigent circumstances.
- consultations and/or evaluations associated with services that are not covered.
- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.
- services to correct congenital malformations, including the replacement of congenitally missing teeth.

As noted in Section V, the following exclusions also apply:

- there is no coverage for crowns, bridges used solely for splinting. This exclusion will not apply if a crown or bridge is determined by Cigna Dental to be the treatment most consistent with professionally accepted standards of care.
- there is no coverage for implant supported prosthesis used solely for splinting unless specifically listed on your Patient Charge Schedule.
- there is no coverage for resin bonded retainers and associated pontics.
- general anesthesia, sedation and nitrous oxide are not covered, unless specifically listed on your Patient Charge Schedule. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.
- replacement of fixed and/or removable orthodontic appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.
- endodontic treatment and/or periodontal (gum tissue and supporting bone) surgery of teeth exhibiting a poor or hopeless periodontal prognosis.
- the recementation of any inlay, onlay, crown, post and core or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.
- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the

charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

- the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
- intentional root canal treatment in the absence of injury or disease to solely facilitate a restorative procedure.

Should any law require coverage for any particular service(s) noted above, the exclusion for that service(s) shall not apply.

VII. Limitations

In addition to the limitations listed in Section V, listed below are the services or expenses which have limited coverage under your Dental Plans. No payment will be made for expense incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;
- to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received;
- for the charges which the person is not legally required to pay;
- for charges which would not have been made if the person had no insurance;
- due to injuries which are intentionally self-inflicted;

In addition to the above the following limitations will also apply:

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age, are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental

implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

Should any law require coverage for any particular service(s) noted above, the limitation for that service(s) shall not apply.

VIII. What To Do If There Is A Problem/Grievances

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request. No Plan employee shall retaliate or discriminate against a customer (including seeking disenrollment of the customer) solely on the basis that the customer filed a grievance. Instances of such retaliation or discrimination shall be grounds for disciplinary action, (including termination) against the employee.

A. Your Rights to File Grievances With Cigna Dental

We want you to be completely satisfied with the care you receive. That is why we have established an internal grievance process for addressing your concerns and resolving your problems.

Grievances include both complaints and appeals. Complaints may include concerns about people, quality of service, quality of care, benefit interpretations or eligibility. Appeals are requests to reverse a prior denial or modified decision about your care. You may contact us by telephone or in writing with a grievance.

B. How to File a Grievance

To contact us by phone, call us toll-free at 1-800-Cigna24 or the toll-free telephone number on your Cigna identification card. The hearing impaired may call the state TTY toll-free service listed in their local telephone directory.

Send written grievances to:

Cigna Dental Health of California, Inc.
P.O. Box 188047
Chattanooga, TN 37422-8047

We will provide you with a grievance form upon request, but you are not required to use the form in order to make a written grievance.

You may also submit a grievance online through the following Cigna website:
<http://myCigna.com/health/consumer/medical/state/ca.html#dental>.

If the customer is a minor, is incompetent or unable to exercise rational judgment or give consent, the parent, guardian, conservator, relative, or other legal representative acting on behalf of the customer, as appropriate, may submit a grievance to Cigna Dental or the California Department of Managed Health Care (DMHC or “Department”), as the agent of the customer. Also, a participating dentist may join with or assist you or your agent in submitting a grievance to Cigna Dental or the DMHC.

1. Complaints

If you are concerned about the quality of service or care you have received, a benefit interpretation, or have an eligibility issue, you should contact us to file a verbal or written complaint. If you contact us by telephone to file a complaint, we will attempt to document and/or resolve your complaint over the telephone. If we receive your complaint in writing, we will send you a letter confirming that we received the complaint within 5 calendar days of receiving your notice. This notification will tell you whom to contact should you have questions or would like to submit additional information about your complaint. We will investigate your complaint and will notify you of the outcome within 30 calendar days.

2. Appeals

If your grievance does not involve a complaint about the quality of service or care, a benefit interpretation or an eligibility issue, but instead involves dissatisfaction with the outcome of a decision that was made about your care and you want to request Cigna Dental to reverse the previous decision, you should contact us within one year of receiving the denial notice to file a verbal or written appeal. Be sure to share any new information that may help justify a reversal of the original decision. Within 5 calendar days from when we receive your appeal, we will confirm with you, in writing, that we received it. We will tell you whom to contact at Cigna Dental should you have questions or would like to submit

additional information about your appeal. We will make sure your appeal is handled by someone who has authority to take action and who was not involved in the original decision. We will investigate your appeal and notify you of our decision, within 30 calendar days. You may request that the appeal process be expedited, if there is an imminent and serious threat to your health, including severe pain, potential loss of life, limb or major bodily function. A Dental Director for Cigna Dental, in consultation with your treating dentist, will decide if an expedited appeal is necessary. When an appeal is expedited, Cigna Dental will respond orally and in writing with a decision within 72 hours.

C. You Have Additional Rights Under State Law

Cigna Dental is regulated by the California Department of Managed Health Care (DMHC or the “Department”). If you are dissatisfied with the resolution of your complaint or appeal, the law states that you have the right to submit the grievance to the department for review as follows:

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at 1-800-Cigna24 and use your health plan’s grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The department’s Internet Web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms and instructions online.

You may file a grievance with the DMHC if Cigna Dental has not completed the complaint or appeal process described above within 30 days of receiving your grievance. You may immediately file an appeal with Cigna Dental and/or the DMHC in a case involving an imminent and serious threat to the health, including, but not limited to, severe pain, the potential loss of life, limb,

or major bodily function, or in any other case where the DMHC determines that an earlier review is warranted.

D. Voluntary Mediation

If you have received an appeal decision from Cigna Dental with which you are not satisfied, you may also request voluntary mediation with us before exercising the right to submit a grievance to the DMHC. In order for mediation to take place, you and Cigna Dental each have to voluntarily agree to the mediation. Cigna Dental will consider each request for mediation on a case by case basis. Each side will equally share the expenses of the mediation. To initiate mediation, please submit a written request to the Cigna Dental address listed above. If you request voluntary mediation, you may elect to submit your grievance directly to the DMHC after participating in the voluntary mediation process for at least 30 days.

For more specific information regarding these grievance procedures, please contact our Customer Service Department.

IX. Coordination of Benefits

Coordination of benefit rules explain the payment process when you are covered by more than one dental plan. You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Coordination of Benefits should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

The following is a more detailed explanation of the rules used to determine which plan must pay first (your "primary" plan) and which plan must pay second (your "secondary" plan):

- A. A customer may be covered as an employee by his/her employer and as a dependent by his/her spouse's employer. The plan that covers the customer as an employee (the policyholder) is the primary plan.
- B. Under most circumstances, if a child is covered as a dependent under both parents' coverage (and parents are not separated or divorced), the plan of the parent with the earliest birthday in the year is the primary plan.

- C. If a child of divorced or separated parents is covered as a dependent under at least one of the parents' (or stepparents') coverage, benefits are determined in the following order:
 - 1. According to a court decree that designates the person financially responsible for the dental care coverage; or without such decree,
 - 2. The plan of the parent who has custody of the child;
 - 3. If the parent with custody of the child is remarried; then the stepparent's plan; and finally,
 - 4. The plan of the parent without custody of the child.
- D. The benefits of a plan that covers an active employee (and any dependents) are determined before those of a program which covers an inactive employee (laid-off or retired). However, if one of the plans does not have a provision regarding retired or laid-off employees, this section may not apply. Please contact the Plan at the number below for further instruction.
- E. If a customer is covered under a continuation plan (e.g. COBRA) AND has coverage under another plan, the following determines the order of benefits:
 - 1. The plan that covers the customer as an employee (or dependent of employee) will be primary;
 - 2. The continuation plan will be secondary.However, if the plan that covers the person as an employee does not follow these guidelines and the plans disagree about the order of determining benefits, then this rule may be ignored. Please contact Cigna Dental at the number below for further instructions.
- F. If none of the above rules determines the order of benefits, the plan that has been in effect longer is the primary plan. To determine which plan has been in effect longer, we will take into consideration the coverage you had previously with the same employer, even if it was a different plan, as long as there was no drop in eligibility during the transition between plans.
- G. Workers' Compensation – Should any benefit or service rendered result from a Workers' Compensation Injury Claim, the customer shall assign his/her right to reimbursement from other sources to Cigna Dental or to the Participating Provider who rendered the service.
- H. When Cigna Dental is primary, we will provide or pay dental benefits without considering any other plan's benefits. When Cigna Dental is secondary, we shall pay the lesser of either the amount that we would have paid in the absence of any other dental coverage, or your total out of pocket cost payable under the primary dental plan for benefits covered by Cigna Dental.

- I. Please call Cigna Dental at 1-800-Cigna24 if you have questions about which plan will act as your primary plan or if you have other questions about coordination of benefits.

Additional coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

X. Disenrollment From the Dental Plan – Termination of Benefits

Except for extensions of coverage as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Contract, disenrollment from the Dental Plan/termination of benefits and coverages will be as follows:

A. For the Group

The Dental Plan is renewable with respect to the Group except as follows:

1. for nonpayment of the required Prepayment Fees;
2. for fraud or other intentional misrepresentation of material fact by the Group;
3. low participation (i.e. less than ten enrollees);
4. if the Dental Plan ceases to provide or arrange for the provision of dental services for new Dental Plans in the state; provided, however, that notice of the decision to cease new or existing dental plans shall be provided as required by law at least 180 days prior to discontinuation of coverage; or
5. if the Dental Plan withdraws a Group Dental Plan from the market; provided, however, that notice of withdrawal shall be provided as required by law at least 90 days prior to the discontinuation and that any other Dental Plan offered is made available to the Group.

B. For You and Your Enrolled Dependents

The Dental Plan may not be canceled or not renewed except as follows:

1. failure to pay the charge for coverage if you have been notified and billed for the charge and at least 15 days have elapsed since the date of notification.
2. fraud or deception in the use of services or Dental Offices or knowingly permitting such fraud or deception by another.
3. your behavior is disruptive, unruly, abusive or uncooperative to such an extent that the Dental Plan or the Network Dental Office is materially impaired in its ability to provide services to you or another customer. Cigna Dental will provide reasonable

opportunities to transfer to another Dental Office prior to such termination. In the event of such termination, Cigna Dental will cooperate as needed to help you establish a relationship with a non-participating dental office.

4. you threaten the life or well-being of any Dental Plan employee, Network Dentist, Dental Office employee or another customer and the Dental Office is materially impaired in its ability to provide services to you. Cigna Dental will provide reasonable opportunities to transfer to another Dental Office prior to such termination.

C. Termination Effective Date

The effective date of the termination shall be as follows:

1. in the case of nonpayment of Prepayment Fees, enrollment will be canceled as of the last day of the month in which payment was received, subject to compliance with notice requirements.
2. in the case of failure to meet eligibility requirements or for disruptive or threatening behavior described above, enrollment will be canceled as of the date of termination specified in the written notice, provided that at least 15 days have expired since the date of notification.
3. on the last day of the month after voluntary disenrollment.
4. termination of Benefits due to fraud or deception shall be effective immediately upon receipt of notice of cancellation.

D. Effect on Dependents

When one of your Dependents disenrolls, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

For you and your Dependents, disenrollment will be effective the last day of the month in which Prepayment Fees are not paid to Cigna Dental. Cigna Dental will provide at least 15 days notice to your Group as to the date your coverage will be discontinued.

E. Right to Review

If you believe that your termination from the Dental Plan is due to your dental health status or requirements for dental care services, you may request review of the termination by the Director of the Department of Managed Health Care.

F. Notice of Termination

If the Group Contract is terminated for any reason described in this section, the notice of termination of the Group Contract or your coverage under the Group

Contract shall be mailed by the Dental Plan to your Group or to you, as applicable. Such notice shall be dated and shall state:

1. the cause for termination, with specific reference to the applicable provision of the Group Contract or Plan Booklet;
2. the cause for termination was not the Subscriber's or a customer's health status or requirements for health care services;
3. the time the termination is effective;
4. the fact that a Subscriber or customer alleging that the termination was based on health status or requirements for health care services may request a review of the termination by the Director of the California Department of Managed HealthCare;
5. in instances of termination of the Group Contract for non-payment of fees, that receipt by the Dental Plan of any such past due fees within 15 days following receipt of notice of termination will reinstate the Group Contract as though it had never been terminated; if payment is not made within such 15 day period a new application will be required and the Dental Plan shall refund such payment within 20 business days;
6. any applicable rights you may have under the "Continuation of Benefits" Section.

XI. Continuity of Care

If you are receiving care from a Network Dentist who has been terminated from the Cigna Dental network, Cigna Dental will arrange for you to continue to receive care from that dentist if the dental services you are receiving are for one of the following conditions:

- (1) an acute condition. An acute condition is a dental condition that involves a sudden onset of symptoms due to an illness, injury, or other dental problem that requires prompt dental attention and that has a limited duration. Completion of the covered services shall be provided for the duration of the acute condition.
- (2) newborn children between birth and age 36 months. Cigna Dental shall provide for the completion of covered services for newborn children between birth and age 36 months for 12 months from the termination date of the Network Dentist's contract.
- (3) performance of a surgery or other procedure that is authorized by Cigna Dental and has been recommended and documented by the terminated dentist to occur within 180 days of the effective date of termination of the dentist's contract.

Cigna Dental is not obligated to arrange for continuation of care with a terminated dentist who has been terminated for medical disciplinary reasons or who has committed fraud or other criminal activities.

In order for the terminated Participating Provider to continue to care for you, the terminated dentist must comply with the Cigna Dental's contractual and credentialing requirements and must meet the Cigna Dental's standards for utilization review and quality assurance. The terminated dentist must also agree with Cigna Dental to a mutually acceptable rate of payment. If these conditions are not met, Cigna Dental is not required to arrange for continuity of care.

If you meet the necessary requirements for continuity of care as described above, and would like to continue your care with the terminated Dentist, you should call Customer Service.

If you do not meet the requirements for continuity of care or if the terminated dentist refuses to render care or has been determined unacceptable for quality or contractual reasons, Cigna Dental will work with you to accomplish a timely transition to another qualified Network Dentist.

XII. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Prepayment Fees to the Group. Additional information is available through your Benefits Representative.

XIII. Individual Continuation of Benefits

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within 3 months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- permanent breakdown of the dentist-patient relationship,
- fraud or misuse of dental services and/or Dental Offices,
- nonpayment of Prepayment Fees by the Subscriber,
- selection of alternate dental coverage by your Group, or
- lack of network/service area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan

and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XIV. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

A STATEMENT DESCRIBING CIGNA DENTAL'S POLICIES AND PROCEDURES FOR PRESERVING THE CONFIDENTIALITY OF MEDICAL RECORDS IS AVAILABLE AND WILL BE FURNISHED TO YOU UPON REQUEST.

XV. Miscellaneous

A. Programs Promoting General Health

As a Cigna Dental plan customer, you may be eligible for various benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at my.cigna.com for details.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain episodes of care. For example, certain frequency limitations for dental services may be relaxed for pregnant women. Please review your plan enrollment materials for details.

B. Organ and Tissue Donation

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. The California Health and Safety Code states that an anatomical gift may be made by one of the following ways:

- a document of gift signed by the donor.
- a document of gift signed by another individual and by two witnesses, all of whom have signed at the direction and in the presence of the donor and of each other and state that it has been so signed.
- a document of gift orally made by a donor by means of a tape recording in his or her own voice.

One easy way individuals can make themselves eligible for organ donation is through the Department of Motor Vehicles (DMV). Every time a license is renewed or a new one is issued to replace one that was lost, the DMV will automatically send an organ donor card. Individuals may complete the card to indicate that they are willing to have their organs donated upon their death. They will then be given a small dot to stick on their driver's license, indicating they have an organ donor card on file. For more information, contact your local DMV office and request an organ donor card.

C. 911 Emergency Response System

You are encouraged to use appropriately the '911' emergency response system, in areas where the system is established and operating, when you have an emergency medical condition that requires an emergency response.

Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits.

Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the date you meet the criteria shown in the following Sections B through F.

B. Change of Status

A change in status is defined as:

1. change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
2. change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
3. change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
4. changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
5. change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
6. changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: (a) incurs a change such as adding or deleting a benefit option; (b) allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or (c) this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

FDRL6

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under Basic Benefits which you or your Dependents were covered on the day before the

qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

FDRL85

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA

continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

FDRL21

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

VI

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.

- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

FDRL23

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The

premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

V2

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;
- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period.

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your

COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer's Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under "Termination of COBRA Continuation" above.

V1

Trade Act of 2002

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 72.5% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this

special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under "Termination of COBRA Continuation" above.

Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.
