TechKidz: Minecraft & Programming

PAE024 | 6yrs-12yrs | \$150
Parker Anderson Enrichment

This class introduces students to computer skills including Computer Programming and Minecraft in a fun and supervised environment. Students will learn how to create computer programs and will hone their problem solving and tactical thinking skills as they learn how to play one of the world's most popular games.

9am - Noon

Let's Dive into the Ocean

BIN007 | 5yrs-12yrs | \$150
Bionerds

Come and join this fun and hands-on biology workshop for kids! Learn about the amazing marine animals from the tiny planktons, starfish, to the great white sharks, and many more. Your child will be up close and personal with the live/preserved/fresh organisms on some topics and/or perform cool biology experiments on the other using lab equipment/tools. Older children (8-12 yrs) will perform dissections, younger children (5-7yrs) will observe.

1pm - 4pm

The Summer Learning Institute

(SLI001) (SLI002) | 6yrs-12yrs | \$285
Traveling Teachers

The Summer Learning Institute makes learning fun! Credentialed teachers provide research-based instruction in reading, writing, and arithmetic, through cognitive and kinesthetic games, with no more than 15 students in each group.

Whether the goal is to build confidence, stronger academic skills, or to enrich your child with a challenging curriculum all students win!

Lunch Bunch

NCCSM6

We've got you covered! Pack your child's lunch and we will supervise their transition from morning camp to their afternoon camp here at Newport Coast Community Center. CPR/First-Aid trained staff members will pick-up your child and supervise their lunch hour. Our staff members will escort them to their afternoon camp once lunch hour is over. During lunch your child will enjoy free play, arts and crafts, games, and more!

Noon - 1pm

Must be enrolled in a morning and afternoon camp
