

# What is ACE?

After Class Enrichment (ACE) is a series of programs run by the City of Newport Beach designed to further enhance your child's curriculum by providing high quality instruction in a variety of recreational activities held immediately after school dismissal. Your favorite instructors from the City of Newport Beach's Recreation & Senior Services Department will host their class on campus, allowing your young ones the opportunity to expand learning, discover a new hobby, and develop friendships for years to come.

# Registration

Registration can be done online at [www.Newportbeachca.gov/ACE](http://www.Newportbeachca.gov/ACE)

# Policy

Payment and registration must be completed before your child attends class. Children must be picked up by the end of the scheduled end-time, and must be signed out by a parent/guardian, or an authorized adult. Drive-by pick-up is not permitted.

City of Newport Beach  
Recreation & Senior Services Department  
949-644-3151

# Mondays

9/17-10/29

## Clay House Winter Projects

NCE100 - \$200 2:50-3:50pm

Students will have so much fun making their very own fall leaf bowls, spooky masks, and pumpkin sculptures out of clay which will be fired and glazed. Fundamental skills will be taught by a professional artist and teacher such as coil, slab, pinch pot, blending and glazing techniques. Experience this wonderful and exciting new class and take home some amazing masterpieces!

## Spanish for Beginners

NCE101 - \$133 2:50-3:50pm

Learn Spanish becoming more fluent and confident. Our approach to teaching languages is an input-based instruction of vocabulary in a way that is comprehensible. It's similar to how you learned your native language. You'll acquire some of the most frequently used words and phrases to help you build your communication skills.

## Kids Yoga

NCE102 - \$119 2:50-3:50pm

Fun and exciting yoga class created especially for Children. Children will stretch like a cat, balance like a flamingo and breath like the wind, nurturing the whole child in a cooperative non-competitive environment.

# Tuesdays

9/18-10/30

## Robot Building Workshop!

NCE103 - \$150 2:50-3:50pm

Build both in class and take home robots including the Insectoid Robot, the Brush Robot, and the Table Top Robot. Gain knowledge of engineering principles while working with levers, gears, and motors to design amazing robots. Challenge aspects of your creativity and hone your fine motor skills while completing intricate motorized robots. Participate in group robotics challenges using a variety of materials.

## Beginning Farsi

NCE104 - \$175 2:50-3:50pm

At Ferdowsi Farsi, students will be taught the Farsi language and Persian culture in a caring, fun, and educational environment. Highly qualified professionals will teach students the fundamentals of the language through proven teaching techniques, building strong Farsi foundations and ensuring success.

## After-School Sports

NCE105 - \$105 2:50-3:50pm

We use fun games and drills to engage kids in a variety of sports. One of the following sports is played each week; soccer, flag football, baseball/softball, and basketball. Rules, skills and techniques are introduced with some small-sided games played.

# Wednesdays

9/19-10/31

## TechKidz: Minecraft!

NCE106 - \$115 2:10-3:10pm

Come join us to learn about and play the most popular computer game on the planet! Learn Minecraft building techniques, details of commands, and how to change the look of the game by playing on the provided laptops. Students will learn strategy, building, and cooperation skills while playing Minecraft in a fun, safe, and supervised environment!

## Core Athletics

NCE107 - \$175 2:10-3:25pm

CORE programs instill a love for sports and physical activity, while developing your child's specific sport skills and overall athleticism. Classes will fine tune your child's sports skills in a fun, group setting, while exposing them to important life lessons, such as good sportsmanship, teamwork, fairness, and appropriate peer interaction.

## Drawing, Pastels & Painting

NCE108 - \$200 2:10-3:10pm

A creative class where children will be taught the fundamentals of painting, drawing, ceramics, collage and printing. A wide variety of mediums will be used such as pastels, water colors, acrylic paints, metal embossing and clay. Students will create new Fall themed projects of the highest quality and definite keepsakes.

# Thursdays

9/20-10/25

## Hip Hop Funk

NCE109 - \$120 2:50-3:50pm

Get ready to rock the dance floor using all the latest moves! This dance class is a high energy class that explores the expressive style of Hip-Hop movement. Students will be introduced to jumps, turns, across the floor and hip choreography.

## Intermediate Farsi

NCE110 - \$150 2:50-3:50pm

At Ferdowsi Farsi, students will be taught the Farsi language and Persian culture in a caring, fun, and educational environment. Highly qualified professionals will teach students the fundamentals of the language through proven teaching techniques, building strong Farsi foundations and ensuring success.

## Jedi Engineering with LEGO

NCE111 - \$126 2:50-4:20pm

The Force Awakens in this introductory engineering course for young Jedi! Explore engineering principles by designing and building projects using LEGO® materials such as X-Wings, R2 Units, Energy Catapults, Defense Turrets, and Settlements from a galaxy far, far away. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

# Fridays

9/21-11/2

## Spanish Intermediate

NCE112 - \$133 2:50-3:50pm

Children will learn to converse in Spanish using Comprehensible Input methodologies that focus on the four areas of acquisition: reading, writing, listening, and speaking. This is a fun and unique language-learning experience.

## Golf

NCE113 - \$140 2:50-3:50pm

The Southern California PGA has partnered with TGA Premier Junior Golf to create an after school golf enrichment program that provides children with the building blocks for future achievement on the golf course and in life. The program is an extension of the classroom and incorporates life skills and academic subjects, students advance through our award winning 5 level program while receiving professional golf instruction in a safe setting. All materials are

## Dinosaurs: Fantastic Prehistoric World!

NCE114 - \$182 2:50-3:50pm

Dinosaurs ruled the earth for 180 million years. Your child will learn the role each of the major types of dinosaurs played in their ecosystems, and the traits that made them such successful organisms for so long. Your child will do cool paleontological experiments & activities and learn about biological processes.
