- **Advertising Coordinator:**
Aloha! I just returned from the beautiful State of Hawaii. It was my first time visiting the Island of Oahu and it was everything I thought it would be. The first two nights we rented a 1970 Volkswagen Camper Van, it was sunshine yellow with a manual transmission and no power steering. The van was just the start of our adventure. I loved being on “Hawaii time”, but returning to California is where I belong and am thankful to be.

There have been notable changes since I wrote my last letter. The California COVID-19 guidelines we had become accustomed to were lifted. Now we see smiles instead of masks and give hugs instead of bump elbows. We have seen many familiar faces as well as new ones coming to the center. I think the closure helped the community realize just how fortunate we are to have a beautiful facility that provides a variety of classes, lectures, events and social services. We held our first in-person lecture with 60 attendees; the excitement to return in person was overwhelming. The Fitness Center no longer requires reservations, classes are resuming, support groups are meeting back on campus, and staff is planning fun activities in September to celebrate National Senior Center Month. What perfect timing to have a month dedicated to showing appreciation to community centers that provide seniors a place to stay active and just simply be around others. Welcome back to our regulars, and to those of you who are new, we are happy you found one of the many gems of our City.

Melissa

A year and a half of “hibernation” is finally ending. We are open for business at OASIS with classes being added daily. So nice to see people smiling again on our campus. September is Senior Center Month, and we have some things planned and others in the works. Grandparents Day is September 12th, and we will be holding our famous Pancake Breakfast once again. The following weekend, September 19th, is the 3rd annual OASIS Cars and Coffee Car Show with free coffee and donuts for all. We can accommodate approximately 60 cars, and we already have 20 signed up. If you want to register your classic car, please call Berenice in the Friends office. The show will open to the public at 8am and last until 10:30am. I have had people ask me about our Rummage Sale, and for a variety of reasons it will not be held this year. Storage of the inventory along with the actual touching and handling of objects, and honestly the reluctance of people to attend such an event sealed its fate. We decided to err on the side of safety and reschedule for next year.

This information and more can be found by being a Friends of OASIS member, and our monthly newsletter then gets sent directly to your home. We also send you one monthly email outlining what is happening at OASIS. Check your Newsletter for the “expiration date of your membership” so you keep your membership current. You will notice our “Fund Drive Thermometers” are up, and we officially began our 2021 Fund Drive on July 1st. As I said before, we have not had an opportunity to make additional funds this past year and have not slowed down on our planned projects, so giving something this year is more important than in years past.

I am proud and honored to serve a 4th term as your president. Our Board of Directors is made up of some very special and talented people. All of us have been working behind the scenes to bring OASIS back to life again and bring things back to normal.

Always at your service.

Mike

COMPUTER BASICS

Carole Kamper
949-230-5902

Were you wishing you had better computer skills this past year at home? This is an introductory class to get you starting in using a computer. It will be a “hands-on” experience with emphasis on how to use a mouse being comfortable with the keyboard, as well as some basic internet searches. We will learn the “anatomy” of a “window” by exploring the WordPad and Paint programs. You do not need to own a computer to take the class. The class will be taught using “Windows 10” and is not designed for user of Apple/Mac computers, although most concepts apply to both platforms.

Group Drumming
Lee Kix
Come and discover your own personal rhythm. Group drumming is a research-based life enhancement tool. It is a music-making protocol that has been shown to boost the immune system, imporve mood states, reduce stress and improve creativity and bonding. Studies show that group drumming significantly increases the disease-fighting activity of white blood cells that seek out and destroy cancer cells. This group normally meets the 2nd Wed of the month.
