2003 -2010

Current Boundary Configuration

2011 -2021

Current Representatives	
District 1	Diane B. Dixon (Population 11,621)
District 2	Brad Avery (Population 12,208)
District 3	Duffy Duffield (Population 12,084)
District 4	Kevin Muldoon (Population 13,009)
District 5	Noah Blom (Population 12,331)
District 6	Joy Brenner (Population 11,909)
District 7	Will O'Neill (Population 12,024)

2010 Population Estimate: * 85,186

* Population compiled from 2010 Census Data

Election Years:
Districts 1, 3, 4, 6 - November 2022
Districts 2, 5, 7 - November 2024

 City Boundary (Effective March 19, 2013)

City Charter Section 1005

- Every 10 Years (following the National Census)
- Council-appointed Redistricting Ad-Hoc Committee
- Districts must be “fair and logical”
- Districts must provide “contiguous and compact territories”
- Districts must provide “fair representation”

Formation and Role of Council Ad-Hoc Committee

- Up to Three (3) Members from the City Council
- Brown Act Committee – Public Notice and Agenda
- Committee will Review Census 2020 Data Results and Redistricting Mapping Options
- Consider Public Input
- Report Recommended Map(s) back to City Council for Final Adoption

FAIR MAPS Act 2020 (AB 849) Timing and Requirements

- Adopt New Maps by **April 15, 2022**
- Four (4) Public Hearings
 - One Prior to Draft Map(s) Release
 - Two After Draft Map(s) Released
 - One Held on the Weekends (Sat/Sun) or after 6 PM Monday through Friday
 - Public Hearing must take place at the time it is noticed
 - Redistricting Ad-Hoc Committee can count towards the required Public Hearings

“FAIR MAPS Act 2020” Criteria

1. Federal Laws

- Equal Population
- Federal Voting Rights Act
- No Racial Gerrymandering

2. California Criteria

1. Geographically contiguous
2. Undivided Neighborhoods & “Communities of Interest
3. Easily Identifiable Boundaries
4. Compact
5. Shall not favor or Discriminate Against a Political party

3. Other Redistricting Principles

- Respect Voters’ Choices / Avoid Head to Head Contests
- Future Population Growth
- Minimize Election Year Changes

Tentative Schedule

- July 27, 2021 Study Session – Introduction
- August 16, 2021 Census Data (Raw Data) Made Available
- September 28, 2021 Formation of City Council Ad-Hoc Committee
- October 2021 Start Subcommittee Meetings / Present Data
- November 2021 Post Revised Draft Maps For Public Review
- January 2022 Subcommittee Recommendations to Council
- March 2022 City Council meeting to Introduce Ordinance
- **April 2022** City Council meeting for Final Adoption

Public Engagement & Outreach

- Encourage Public Participation Through:
 - City's Website
 - Print Publications
 - Social Media (Twitter, Instagram, Next Door, Facebook, etc.)
 - News Alerts (email)
- Ad Hoc Committee Meetings will be Publicly Noticed and held in City Council Chambers

Next Steps

- Formation of an Ad Hoc Committee
- Consultant to perform demographic analysis on Census 2020 Data
- Present results to subcommittee in October, 2021

Thank you
