

MARINA PARK YOUTH

AFTER SCHOOL SAILING

FALL 2022

AFTER SCHOOL SAILING - "ACE" GRADES 2-6

Young sailors in grades 2-6 will learn basic sailing skills in an environment focused on skill development, safety and fun. Working in teams of two to four, students will learn to rig and sail a small boat through dockside lectures and hands-on experience. While exploring our local waterways students will learn to steer the boat and trim the sails as they discover the magic of sailing and learn about the marine environment. We recommend students bring clothing appropriate for the season, a jacket, a change of clothes, a towel, hat, sunscreen and a snack with water each day.

MARINA PARK

Th 9/15-11/3 2:30pm-5:15pm \$310

*No class 10/27
