INTRODUCTIONS

PHASE VII

PHASE VI

SELECTION CRITERIA:

Artistic Merit:

- Artwork is of high-quality and demonstrative of originality and artistic excellence
- Artist has strong professional qualifications

Durability:

- The artwork is to be made of high-quality materials which can withstand the natural outdoor elements of coastal Southern California
- Artwork requires minimal to no maintenance

Practicality:

- Artwork is of appropriate subject matter for audiences of all ages
- Artwork is safe and shall not exhibit unsafe conditions or factors that may bear on public liability

Site appropriateness:

- Artwork is suitable in scale to be seen in environment
- Artwork is suitable for viewing from all angles

PUBLIC POLL SUMMARY:

- Poll will be posted on Arts Orange County's website SparkOC.com
- All works qualified as eligible from this meeting will be included
- Participants can vote for up to three favorite works
- Security measures include:
 - Users required to complete a CAPTCHA form designed to catch bot behavior
 - Users required to submit a valid e-mail address and provide their ZIP code and city of residence, only votes from Newport Beach ZIP codes will be counted
- Order of depicted works will be shuffled at random every few days so that no work will enjoy any positioning advantage
- Poll to be promoted by Arts Orange County to e-mail subscribers and via social media. Sample images of submitted artwork, when used, will be chosen via random number generator
- Raw vote logs of both accepted and declined voting attempts will be examined to detect any patterns or voter behavior which, in Arts Orange County's judgment, may give rise to a misleading interpretation of the "voice of the community".
- Finalists as chosen by the public poll must still pass a thorough review by our installation service, confirmation of availability in the condition submitted, and a successful execution of a contract with the artist. Alternates may take the place of finalists in any event of a Finalist failing to pass these steps.
- Final vote on whether to approve the presented finalists to be installed rests with the Newport Beach City Council.
