What is ACE?

After Class Enrichment (ACE) is a series of programs through the City of Newport Beach designed to further enhance your child's curriculum by providing high quality instruction in a variety of recreational activities held immediately after school dismissal. Your favorite instructors from the City of Newport Beach Recreation & Senior Services Department will host their class on campus, allowing your young ones the opportunity to expand their learning, discover a new hobby, and develop friendships for years to come.

Parent Pick Up Information

- Students must be picked up by the end of their scheduled class time and signed out by a parent/guardian or an authorized adult.
- Drive-by pickups are not permitted.
- A late fee will be applied to the parent/guardian's account for late pick-ups.
