Learn Water Wise Gardening Techniques at March 11 Water Miser Workshop

(NEWPORT BEACH, Ca.) -- Interested in having a beautiful garden that saves water and money? Join the City of Newport Beach for an educational and entertaining workshop featuring Ron Vanderhoff, master gardener for Roger's Gardens.

This free workshop will cover tips and techniques on selecting native and California Friendly® plant materials and maintaining a healthy, water-wise garden. There will also be a vendor fair and information what conservation efforts are underway in Newport Beach. The workshop will be held on Thursday, March 11 from 6 p.m. to 8 p.m. at the Newport Beach Central Library, 1000 Avocado Avenue, Newport Beach, 92660.

The workshop is free, but reservations are required. For more information or reservations, please contact Shane Burckle (949) 644-3214 or e-mail conservationinfo@newportbeachca.gov.
