**Re: Ocean Pier Revitalization Act of 2025**

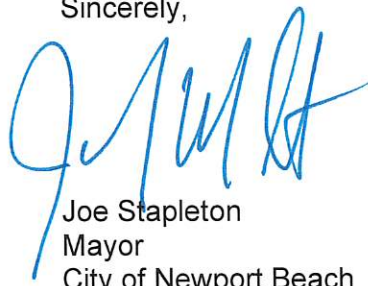

Dear Mayor Garcia,

On behalf of the City of Newport Beach, I write to relay our city's support for the Ocean Pier Revitalization Act of 2025 and our appreciation to the City of San Diego for taking the initiative to propose this legislation to preserve and protect ocean piers for future generations.

Piers across the country, including the ocean piers in the City of Newport Beach, serve as tourist attractions - supporting local businesses and providing recreational opportunities. Specifically, this legislation would allow communities like Newport Beach to undertake repairs, improve structural integrity, and enhance public amenities and ensure that our piers continue to serve residents and visitors for years to come.

Thank you for your leadership in addressing this matter. Please do not hesitate to reach out if we can be of any assistance.

Sincerely,

Joe Stapleton  
Mayor  
City of Newport Beach
