Lando Engineering & Robotics | Lando Interactive

1st-3rd | 3:05-4:35pm | \$252 | HV4013

Students discover an excitement for engineering as they design, prototype, and test creative solutions to real-world issues—all with LEGO bricks, Technic parts, and motors. Accredited and award-winning every session in our WASC-accredited, award-winning program features 6 to 8 new, open-ended projects, engaging both brand-new builders and expert LEGO fans. STEM show and tell. After class, we send you photos of each student's creations to spark conversation and celebrate their progress. Trustworthy we text you when your budding engineer safely arrives, send detailed reminders before each session, and use a secure sign-out process.

What is ACE?

The Newport Beach Recreation & Senior Services Department is excited to bring back After Class Enrichment (A.C.E.) programs for this school year! A.C.E. is a series of programs designed to further enhance your child's curriculum by providing high quality instruction in a variety of recreational activities held on campus immediately after school dismissal.

Pick-up Procedures:

Kindergartners will be picked up at their classroom by the Active Kids program and walked to the CYC Active Kids room, where the instructors will pick them up.

1st-6th Grade: Students will meet instructors at the back gate of the school, where the instructor will meet them to walk the students to the CYC.
