BY: NA DEPUTY

DATE: February 5, 2016

TO: Reviewing Agencies and Other Interested Parties

FROM: City of Newport Beach, Community Development Department, 100 Civic Center Drive, Newport Beach, CA 92660

PROJECT TITLE/SUBJECT: Museum House Residential Project – Notice of Preparation of an Environmental Impact Report and Notice of Public Scoping Meeting

PROJECT APPLICANT: Related California Urban Housing, LLC

NOTICE OF PREPARATION REVIEW PERIOD: February 5, 2016 through March 7, 2016 (30 days)

SCOPING MEETING: Monday, February 22, 2016

The purpose of this Notice of Preparation (NOP) is to notify potential Responsible Agencies (Agencies) that the Lead Agency, the City of Newport Beach, will prepare an Environmental Impact Report (EIR) for the proposed Museum House Residential Project and to solicit comments and suggestions regarding (1) the scope and content of the EIR and (2) the environmental issues and alternatives to be addressed in the EIR (California Environmental Quality Act [CEQA] Guidelines §15082). This NOP also provides notice to interested parties, organizations, and individuals of the preparation of the EIR and requests comments on the scope and contents of the environmental document.

PROJECT LOCATION:

The project site is located in Newport Center, which includes residential, hospitality, and high- and low-rise office buildings surrounding the Fashion Island regional mall. The site itself is approximately two acres (86,942 square feet) and is located at 850 San Clemente Drive in Newport Center (Assessor's Parcel Number 442-261-05). As shown in the vicinity map, the project site is generally bounded by Santa Cruz Drive to the east, Santa Barbara Drive to the west, San Joaquin Hills Road to the north, and San Clemente Drive to the south.

PROJECT DESCRIPTION:

The proposed project consists of the demolition of the existing 23,000-square-foot Orange County Museum of Art building and associated hardscape and landscaping improvements to accommodate the development of a 26-story 100-unit residential condominium tower with two levels of subterranean parking.

Development of the proposed project would require the following approvals from the City of Newport Beach:

- **General Plan Amendment (GPA)** – To change the land use category from Private Institutional (PI) to Multi-Unit Residential (RM-100) with a maximum development limit of 100 units.
- **Planned Community Development Plan Amendment** – To change the San Joaquin Plaza Planned Community (PC) land use designation from Civic/Cultural/Professional/Office to Multi-Unit Residential. The PC amendment also includes new residential development standards including a 300-foot height limit.
- **Tentative Vesting Tract Map** – To allow individual dwelling units to be sold separately as condominiums.
