SUBJECT: NOTICE OF DETERMINATION - EIR - PRIOR FILING

The attached notice was received, filed and a copy was posted on 11/30/2023

**It remained posted for 30 (thirty) days.**

Hugh Nguyen  
Clerk - Recorder  
In and for the County of Orange

By: Carina Cortes Deputy

Public Resource Code 21092.3

The notice required pursuant to Sections 21080.4 and 21092 for an environmental impact report shall be posted in the office of the County Clerk of each county \*\*\* in which the project will be located and shall remain posted for a period of 30 days. The notice required pursuant to Section 21092 for a negative declaration shall be so posted for a period of 20 days, unless otherwise required by law to be posted for 30 days. The County Clerk shall post notices within 24 hours of receipt.

Public Resource Code 21152

All notices filed pursuant to this section shall be available for public inspection, and shall be posted **\*\*\* within 24 hours of receipt** in the office of the County Clerk. Each notice shall remain posted for a period of 30 days.

\*\*\* Thereafter, the clerk shall return the notice to the local **lead** agency \*\*\* within a notation of the period it was posted. The local **lead** agency shall retain the notice for not less than nine months.

Additions or changes by underline; deletions by \*\*\*

## Notice of Determination

To:	Orange County Clerk-Recorder 601 N. Ross Street Santa Ana, CA 92701	From:	City of Newport Beach Community Development Department 100 Civic Center Drive Newport Beach, CA 92660
	Office of Planning and Research 1400 Tenth Street Sacramento, CA 95814	Contact:	Seimone Jurjis
		Phone:	949-644-3232

**Subject:** *Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code*

**State Clearinghouse Number:** 2006011119 / 2001111135

**Project Title:** Housing Element Implementation Noise-Related Amendments (PA2022-0201)

**Project Applicant:** City of Newport Beach, Community Development Department

**Project Location:** Airport Area. Generally bordered by Campus Drive, Jamboree Road, Bristol Street and State Route 73, within the City of Newport Beach, Orange County

**Project Description:** Amendments to the Noise and Land Use Elements of the Newport Beach General Plan, Title 20 (Planning and Zoning) of the Newport Beach Municipal Code, Newport Place Planned Community Development Plan (PC-11), and Newport Airport Village Planned Community Development Plan (PC-60) ("Amendments") that implement the certified 2021-2029 Sixth Cycle Newport Beach General Plan Housing Element.

The Amendments support future residential development identified in the certified 2021-2029 Sixth Cycle Newport Beach General Plan Housing Element located within the 65 dBA CNEL. Specifically, the Amendments update the noise contours (Noise Element Figures N4 and N5) consistent with the 2014 John Wayne Airport Settlement Agreement Amendment (JWA Settlement Agreement Amendment) Environmental Impact Report No. 617 (EIR No. 617) and related policies of the General Plan Land Use and Noise Elements; modify Land Use Element Figures LU11, LU22, and LU23; amend Title 20 (Planning and Zoning) of the Newport Beach Municipal Code, PC-11, and PC-60 to modify and incorporate the updated noise contours identified by EIR No. 617 including additional noise attenuation measures for future housing units proximate to John Wayne Airport. Parcels bisected by the updated 65 dBA CNEL noise contour could support future housing with noise mitigation; whereas parcels located wholly within the updated 65 dBA CNEL noise contour would only support housing, if deemed necessary to satisfy the State and Southern California Association of Government Regional Housing Needs Assessment (RHNA) mandate.

On November 28, 2023, the Newport Beach City Council took the following actions:

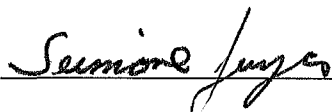

Approved Ordinance No. 2023-20, approving an Amendment to Title 20 (Planning and Zoning) of the Newport Beach Municipal Code Related to Noise in the Airport Area; and

Approved Ordinance No. 2023-21, approving Amendments to Newport Place Planned Community Development Plan (PC-11) and Newport Airport Village Planned Community Development Plan (PC-60) Related to Noise in the Airport Area.

This is to advise that the Newport Beach City Council, as Lead Agency, has made the following determinations regarding the above-described project:

1. The Amendments are exempt from CEQA pursuant to CEQA Guidelines section 15183 because they do not change the underlying land use or zoning designations of any specific parcels, including parcels within the Airport Area or within the updated noise contours. The Amendments, therefore, will not result in development of greater intensity than is allowed under the 2006 General Plan, Newport Place Planned Community Development Plan (PC-11), and Newport Airport Village Planned Community (PC-60), as amended. To the extent new parcels can be developed in the future for residential uses, by nature of no longer being located within areas identified as experiencing 65 dB CNEL or greater, those parcels must be part of a specific proposed project for consideration and processing by the City for approval.
2. The Amendments are also exempt because they fall within the scope of analysis contained within EIR No. 617, prepared, and certified by the County of Orange for the JWA Settlement Agreement Amendment, to which the City is a party. EIR No. 617, fully analyzed impacts on sensitive receptors (including residential uses) in adopting the JWA Settlement Agreement Amendment, including the updated CNEL contour boundaries associated therewith, using both the County and City's thresholds of significance. The City was a responsible agency for EIR No. 617, and co-signatory to the JWA Settlement Agreement Amendment. EIR No. 617 concluded that the JWA Settlement Agreement Amendment (and associated updated CNEL contours) would result in less-than-significant impacts related to noise increases at sensitive receptors, but a significant and unavoidable impact from increasing noise levels at exterior use areas of residences. A Statement of Overriding Considerations was adopted. No lawsuits were filed challenging the adequacy of the EIR No. 617. The Amendments are required for the City to officially adopt the latest and most recently analyzed dBA CNEL noise contours, which are based on state-of-the-art noise modeling, current airport activity and operations at JWA, and technological advances in aviation technology that reduce noise levels from aircraft. Because EIR No. 617 analyzed impacts associated with the updated noise contours, the City's adoption of the updated CNEL noise contours are fully within the scope of EIR No. 617, and the 2006 General Plan, as amended. The Amendments, therefore, do not warrant further environmental review under CEQA.

This is to certify that the Housing Element Implementation Noise-Related Amendments, and the record of the project is available to the general public at the City of Newport Beach, Community Development Department, 100 Civic Center Drive, Newport Beach, CA 92660.

## Notice of Determination

To:	Orange County Clerk-Recorder 601 N. Ross Street Santa Ana, CA 92701	From:	City of Newport Beach Community Development Department 100 Civic Center Drive Newport Beach, CA 92660
	Office of Planning and Research 1400 Tenth Street Sacramento, CA 95814	Contact:	Selmone Jurjls
		Phone:	949-644-3232

**Subject:** *Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code*

**State Clearinghouse Number:** 2006011119 / 2001111135

**Project Title:** Housing Element Implementation Noise-Related Amendments (PA2022-0201)

**Project Applicant:** City of Newport Beach, Community Development Department

**Project Location:** Airport Area. Generally bordered by Campus Drive, Jamboree Road, Bristol Street and State Route 73 within the City of Newport Beach, Orange County

**Project Description:** Amendments to the Noise and Land Use Elements of the Newport Beach General Plan, Title 20 (Planning and Zoning) of the Newport Beach Municipal Code, Newport Place Planned Community Development Plan (PC-11), and Newport Airport Village Planned Community Development Plan (PC-60) ("Amendments") that implement the certified 2021-2029 Sixth Cycle Newport Beach General Plan Housing Element.

The Amendments support future residential development identified in the certified 2021-2029 Sixth Cycle Newport Beach General Plan Housing Element located within the 65 dBA CNEL. Specifically, the Amendments update the noise contours (Noise Element Figures N4 and N5) consistent with the 2014 John Wayne Airport Settlement Agreement Amendment (JWA Settlement Agreement Amendment) Environmental Impact Report No. 617 (EIR No. 617) and related policies of the General Plan Land Use and Noise Elements; modify Land Use Element Figures LU11, LU22, and LU23; amend Title 20 (Planning and Zoning) of the Newport Beach Municipal Code, PC-11, and PC-60 to modify and incorporate the updated noise contours identified by EIR No. 617 including additional noise attenuation measures for future housing units proximate to John Wayne Airport. Parcels bisected by the updated 65 dBA CNEL noise contour could support future housing with noise mitigation; whereas parcels located wholly within the updated 65 dBA CNEL noise contour would only support housing, if deemed necessary to satisfy the State and Southern California Association of Government Regional Housing Needs Assessment (RHNA) mandate.

This is to advise that the City of Newport Beach, as Lead Agency, approved the Amendments at the November 14, 2023, City Council meeting and made the following determinations regarding the Amendments:

1. The Amendments are exempt from CEQA pursuant to CEQA Guidelines section 15183 because they do not change the underlying land use or zoning designations of any specific parcels, including parcels within the Airport Area or within the updated noise contours. The Amendments, therefore, will not result in development of greater intensity than is allowed under the 2006 General Plan, Newport Place Planned Community Development Plan (PC-11), and Newport Airport Village Planned Community (PC-60), as

890-see/7/11-08

2. The Amendments are also exempt because they fall within the scope of analysis contained within EIR No. 617, prepared, and certified by the County of Orange for the JWA Settlement Agreement Amendment, to which the City is a party. EIR No. 617, fully analyzed impacts on sensitive receptors (including residential uses) in adopting the JWA Settlement Agreement Amendment, including the updated CNEL contour boundaries associated therewith, using both the County and City's thresholds of significance. The City was a responsible agency for EIR No. 617, and co-signatory to the JWA Settlement Agreement Amendment. EIR No. 617 concluded that the JWA Settlement Agreement Amendment (and associated updated CNEL contours) would result in less-than-significant impacts related to noise increases at sensitive receptors, but a significant and unavoidable impact from increasing noise levels at exterior use areas of residences. A Statement of Overriding Considerations was adopted. No lawsuits were filed challenging the adequacy of the EIR No. 617. The Amendments are required for the City to officially adopt the latest and most recently analyzed dBA CNEL noise contours, which are based on state-of-the-art noise modeling, current airport activity and operations at JWA, and technological advances in aviation technology that reduce noise levels from aircraft. Because EIR No. 617 analyzed impacts associated with the updated noise contours, the City's adoption of the updated CNEL noise contours are fully within the scope of EIR No. 617, and the 2006 General Plan, as amended. The Amendments, therefore, do not warrant further environmental review under CEQA.

This is to certify that the Housing Element Implementation Noise-Related Amendments, and the record of the project is available to the general public at the City of Newport Beach, Community Development Department, 100 Civic Center Drive, Newport Beach, CA 92660.
