Project Title:
Pacifica Christian General Plan Amendment and Zoning Change

Project Applicant:
Pacific Christian School, David O'Neill

Project Location - Specific:
1499 Monrovia Avenue

Project Location - City: Newport Beach	Project Location - County: Orange
--	---

Description of Nature, Purpose, and Beneficiaries of Project:
General Plan Amendment and Zoning change from Residential to Private Institution to allow for the operation of a school at the property.

Name of Public Agency Approving Project: City of Newport Beach	Name of Person or Agency Carrying Out Project: Chelsea Crager, Associate Planner
--	--

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Sec. 15060(c)(2)
- Statutory Exemptions. State code number: _____

Reasons why project is exempt: The City has analyzed potential environmental effects of the proposed General Plan Amendment and Zone Change and has determined that the action is not subject to CEQA pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) of the CEQA Guidelines, California Code of Regulations, Title 14, Division 6, Chapter 3, because it has no potential for resulting in physical changes to the environment, directly or indirectly. It can be seen with certainty that there is no possibility that the approved activity will have a significant effect on the environment because the property is currently developed with an office building and no additional development is contemplated as a part of this General Plan Amendment and Zone Change. The project would change the General Plan and Zoning designation from multiple Unit Residential to Private Institution. The subject property is currently, and has historically been, used as a commercial property since its development. The office building operates under an abatement to the residential zoning designation, and the property has never been used for residential development, and no such development is planned for the site. As a result, residential uses will not be impacted because there is no residential use on the property. There are no cumulative impacts or significant effects that would result from this activity as contemplated by Sections 15300.2(b) and 15300.2(c), which prevent the use of a Categorical Exemption in this instance.
