SUBJECT: Rescission of Staff Approval No. SA2015-014 (PA2015-201) for The Cannery
Restaurant located at 3010 Lafayette Road

The Planning Division Action Report for the week ending June 24, 2016, included Staff Approval No. SA2015-201 that allowed the modification of the floor plan for The Cannery, an existing restaurant located at 3010 Lafayette Road. After further review, I have determined that the staff approval was issued in error. Therefore, the approval has been rescinded and the application will be heard by the Planning Commission in accordance with Zoning Code Section 20.54.070. The Planning Commission's consideration will occur at a properly noticed public hearing.
